Eve and Mike

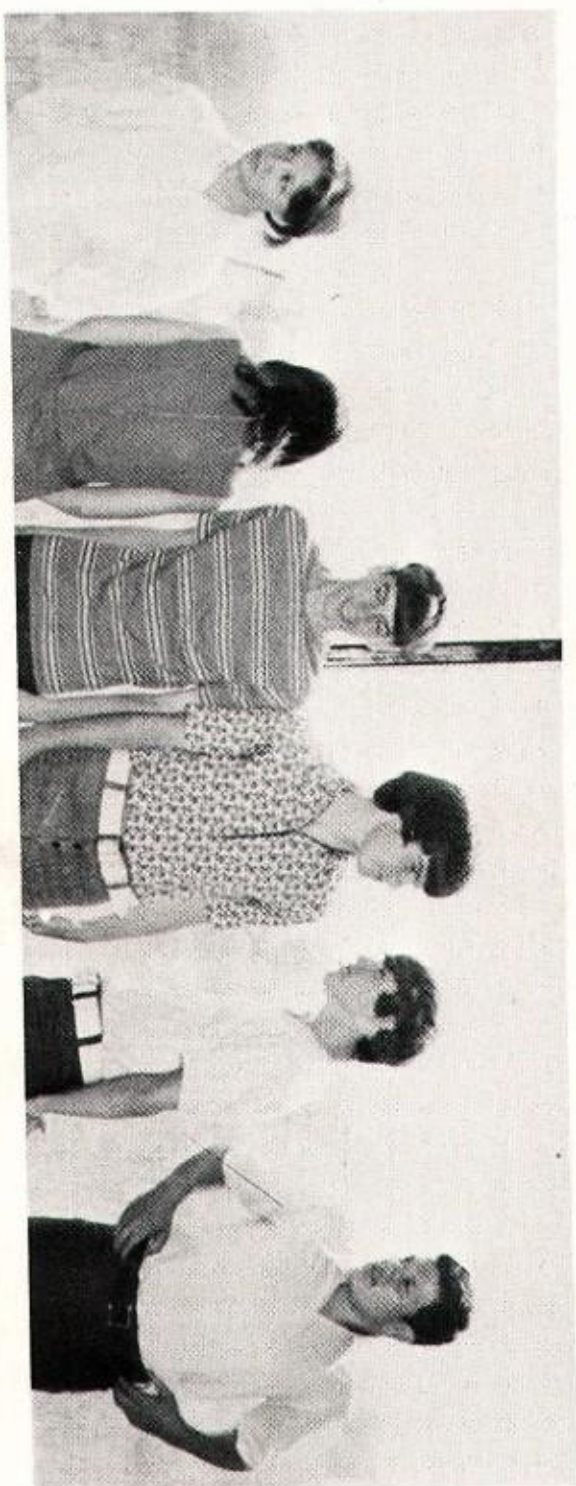

We go through life
and the things we do pass
for memories are the living part
of things we have done . . .

Actions are momentary
Memories are eternal

"Look, Mom, he bit her!"

These shoes were made for runnin'.

Mike Barnett

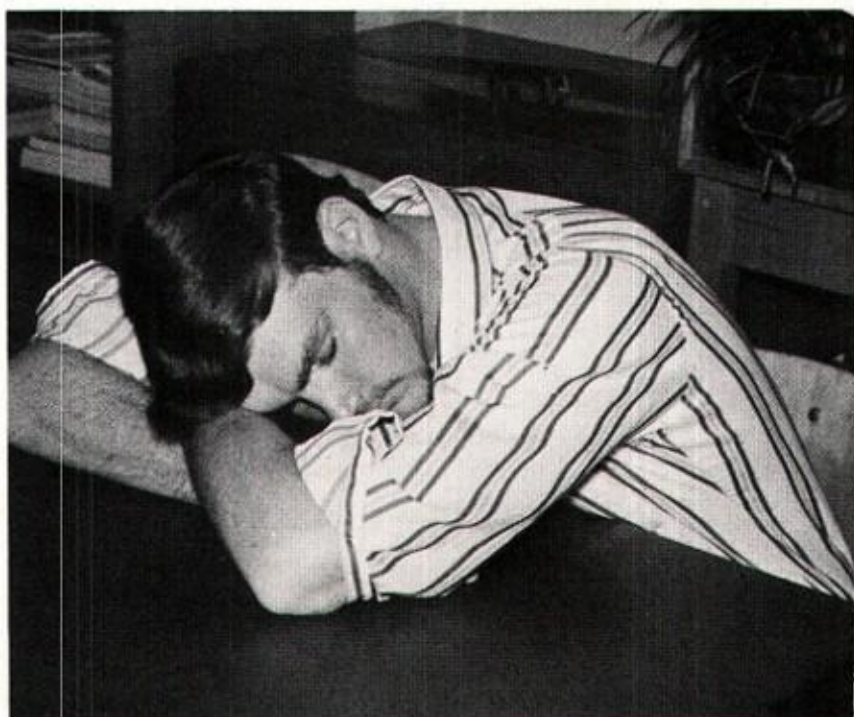

Ellen's work of art.

Just clownin' around.

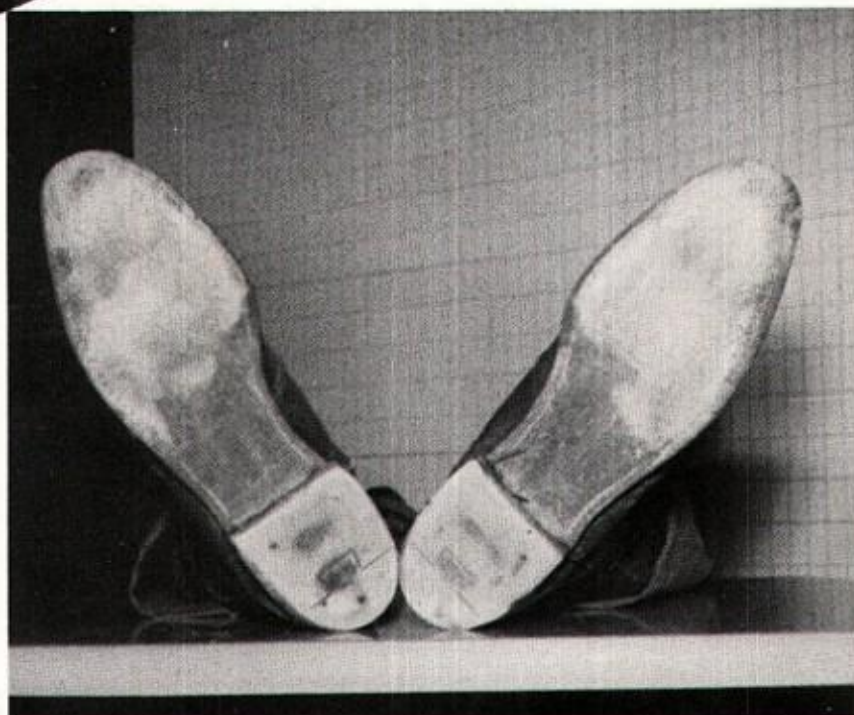

"Benson, is that you?"

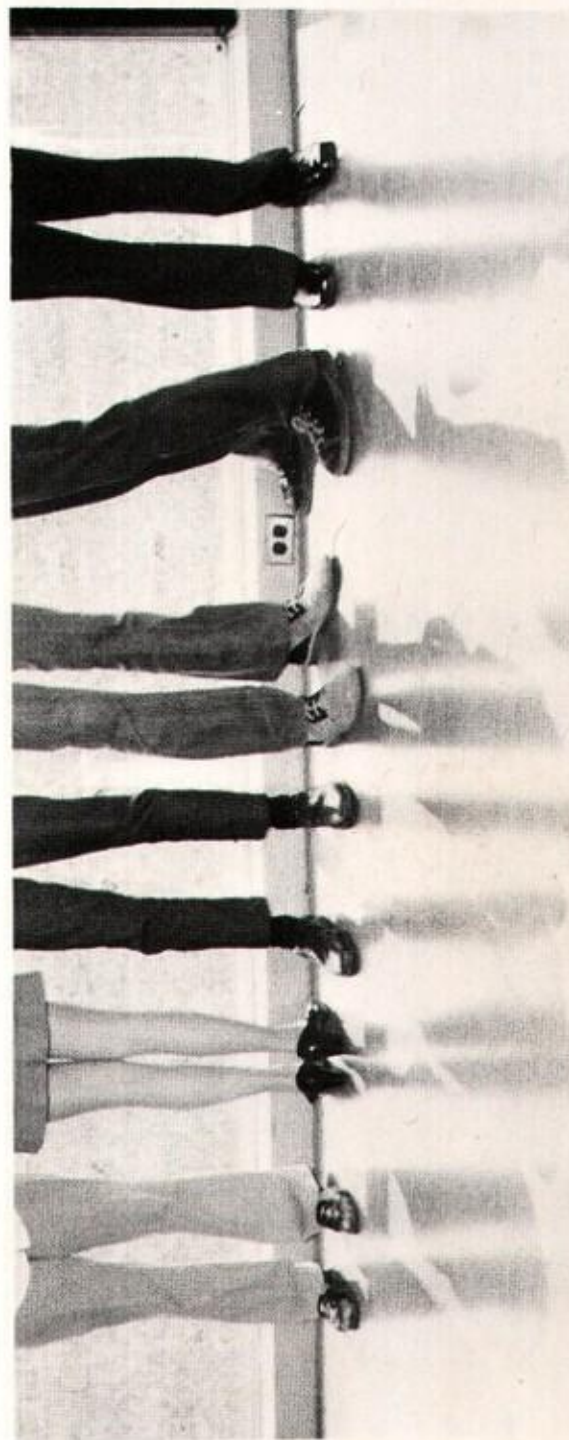

"Hey, Larry, the bell rang 10 minutes ago."

"What's funny, Sharon?"

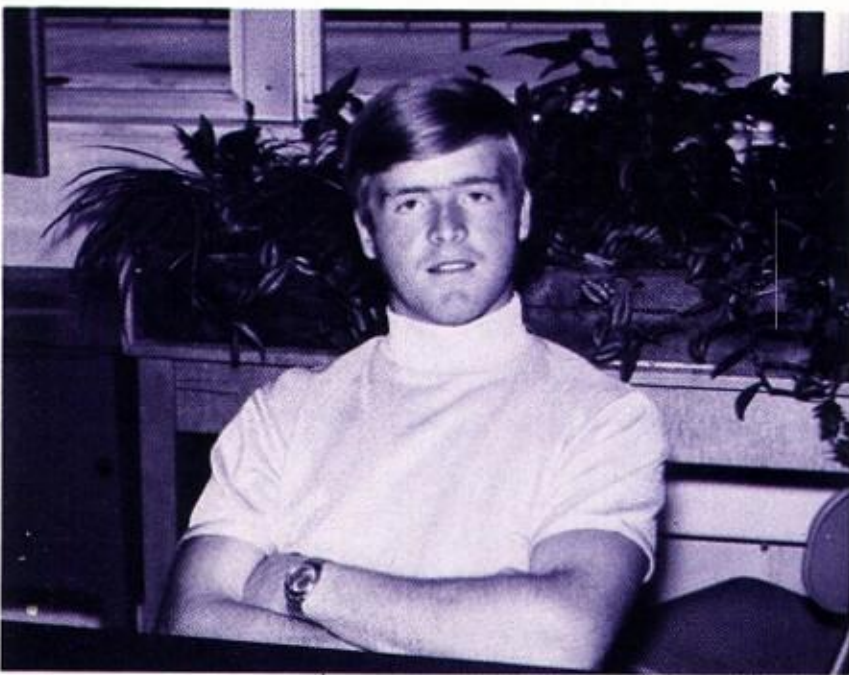

"Betcha Bob Cross wears size 27."

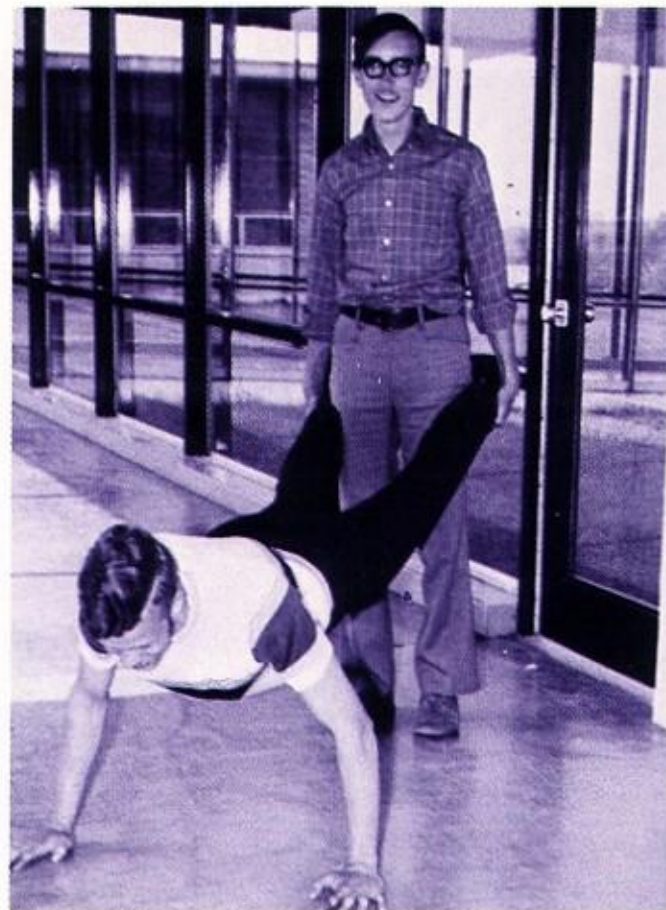

That's our gal, Cheryl Lawton!

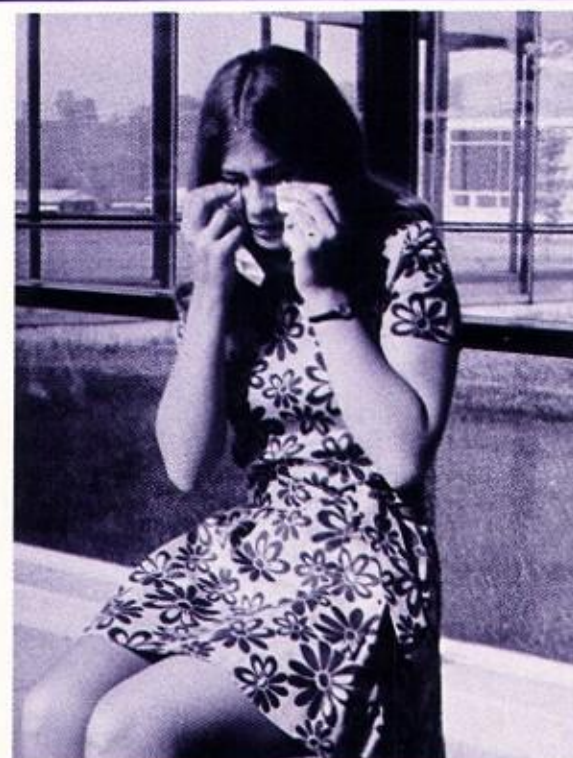

"And after that I'm going to make a million."

Galen proves that Victor just isn't a very good wheelbarrow.

"Ha, Ha, You didn't get me!"

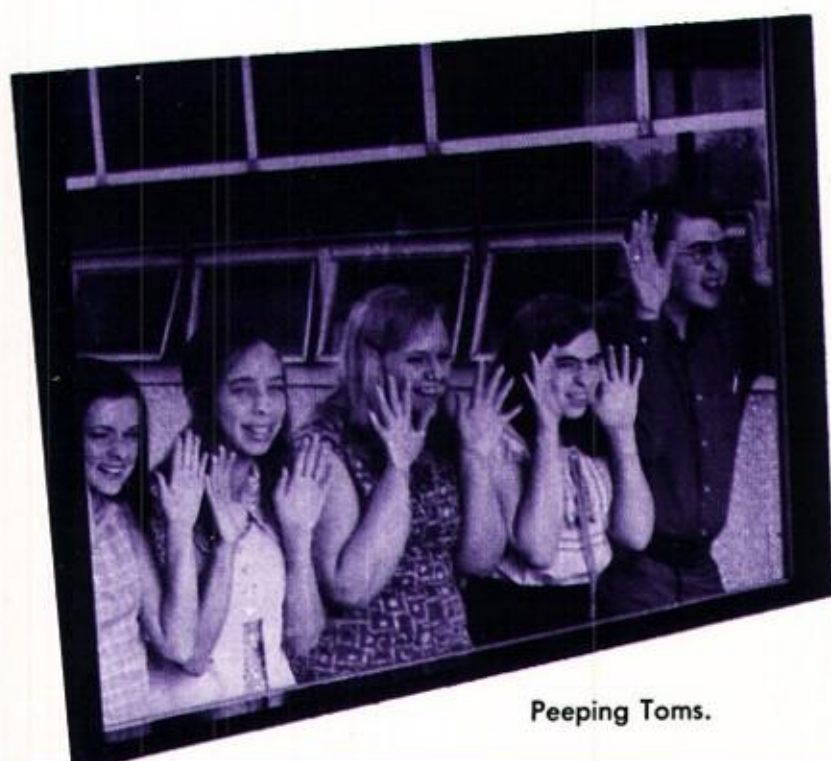

"What did he say to you, Norma?"

"Can I help it if that's the way I am?"

"Quack!
Quack!
Quack!"

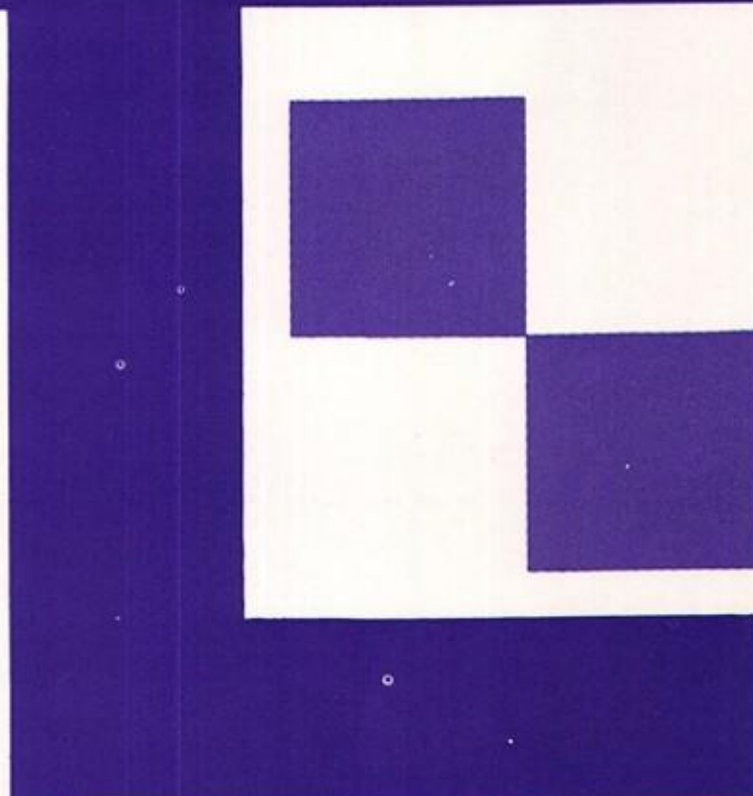

Peeping Toms.

"Well, I stuck my finger in the socket, and . . ."

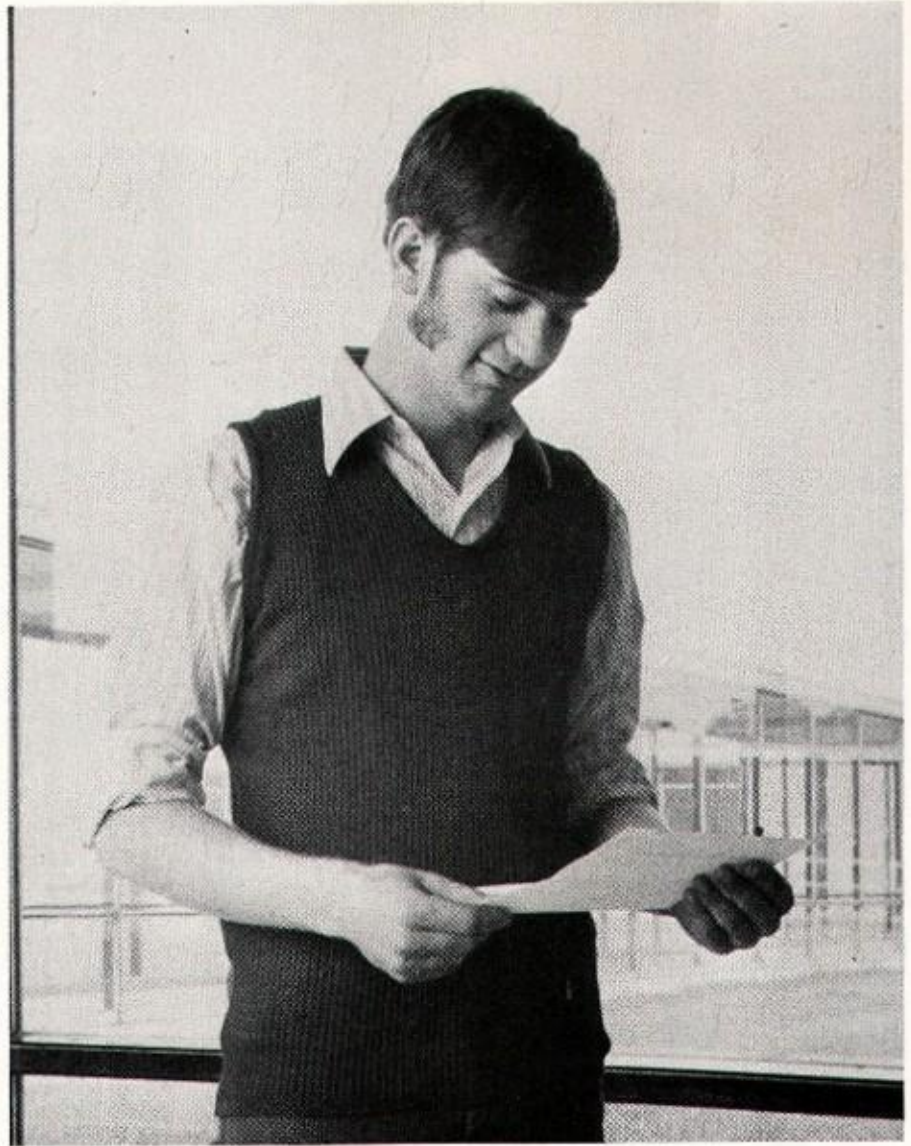

It took a lot of work, but they did it.

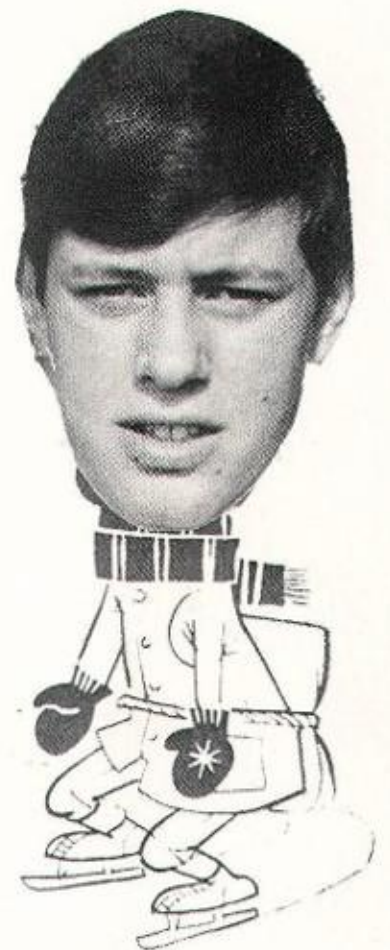

"Oh-h, my girdle is killing me!"

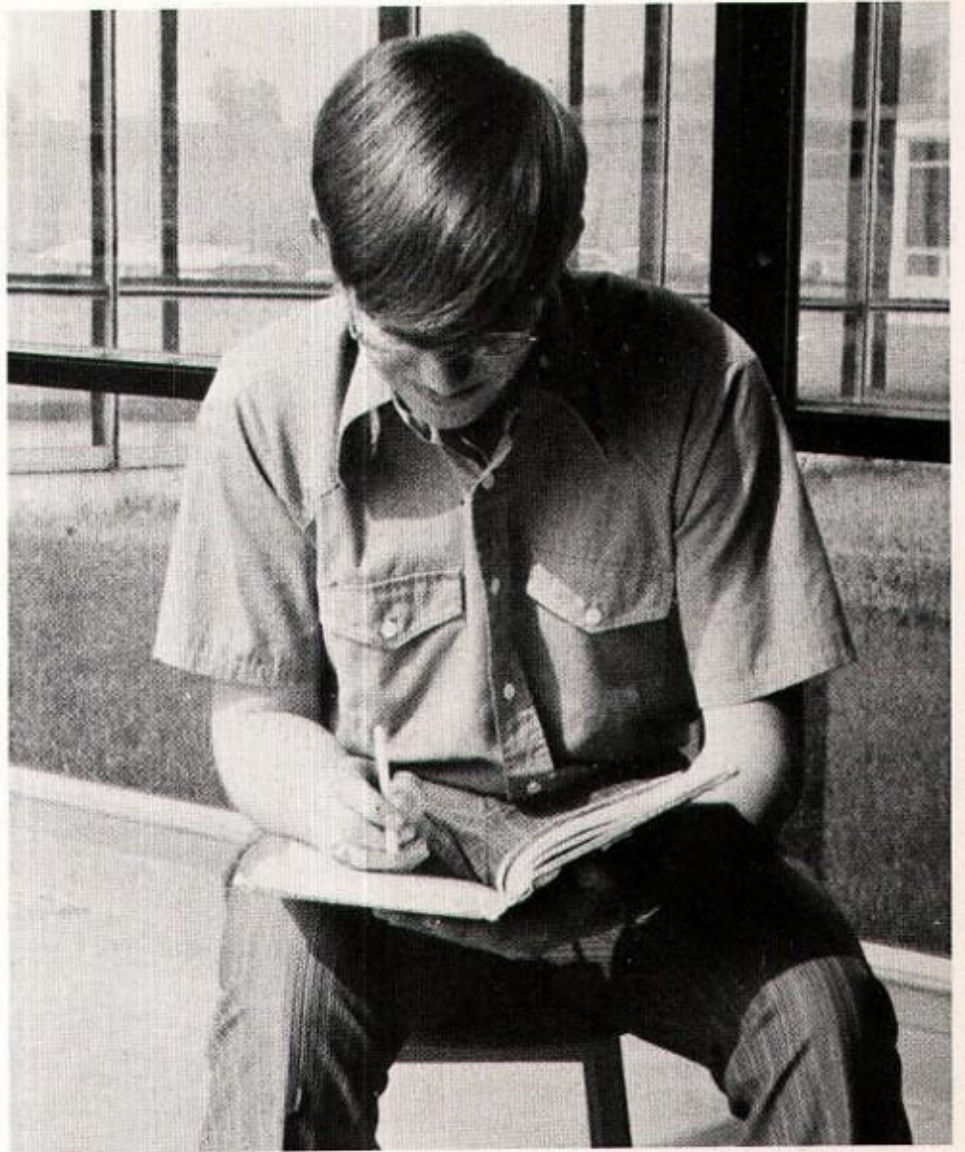

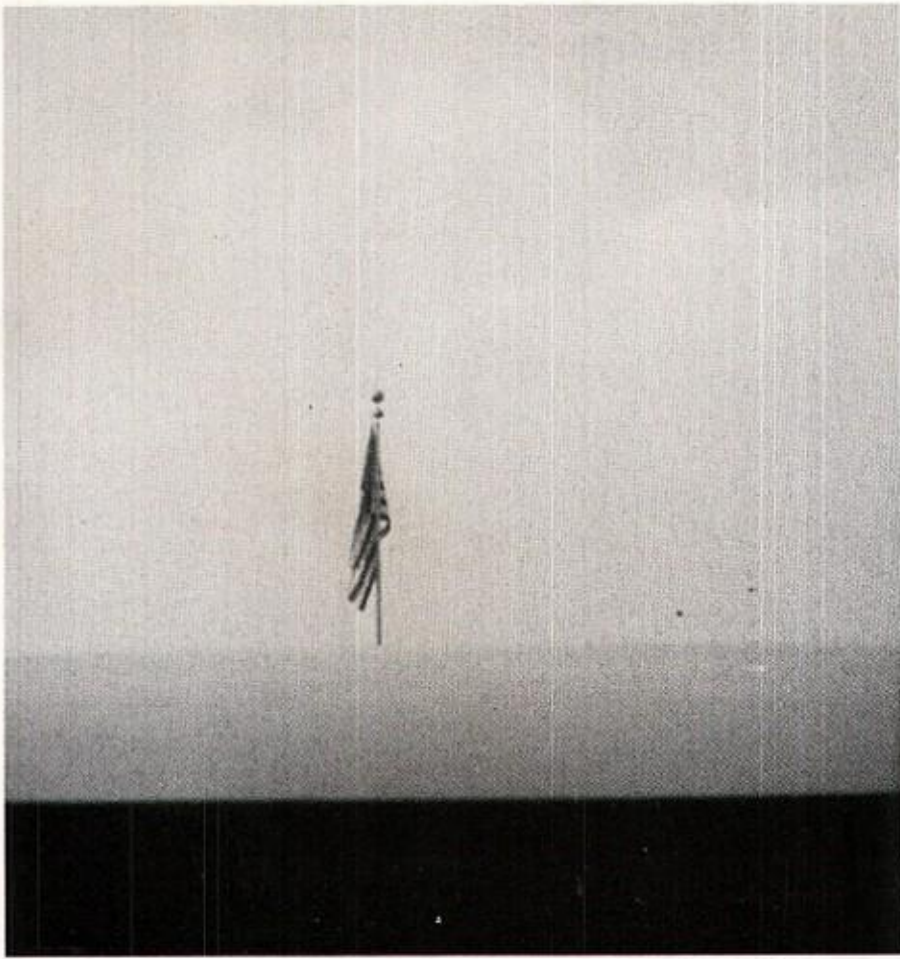

Larry is all smiles as he reads his letter of acceptance from Ohio U. Carol, Sue and Jane jump rope.

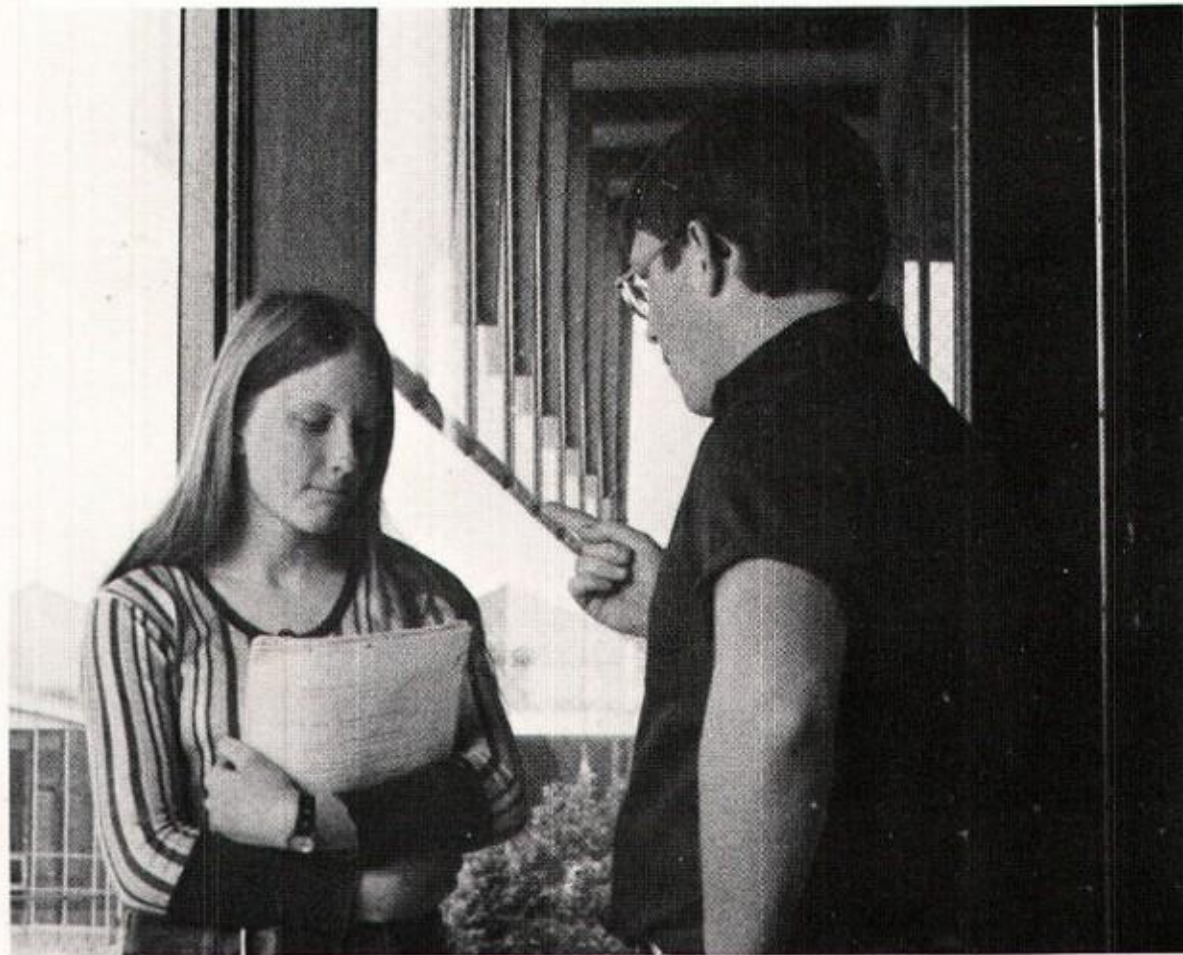

Mickie Ullman demonstrates the Apollo method of attracting men.

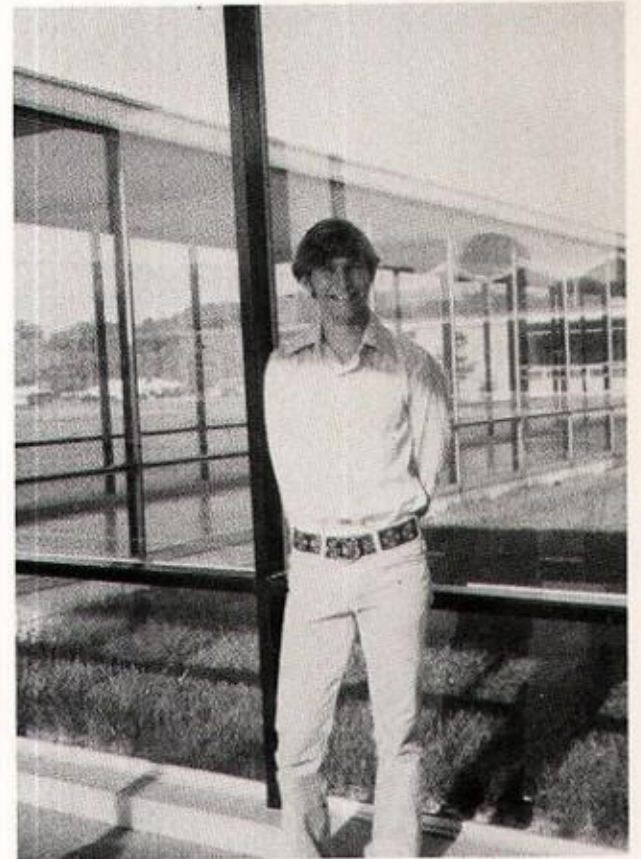

Stan is training for the Olympics

"See Spot run. Run, Spot, run."

"Tell her, Bill!"

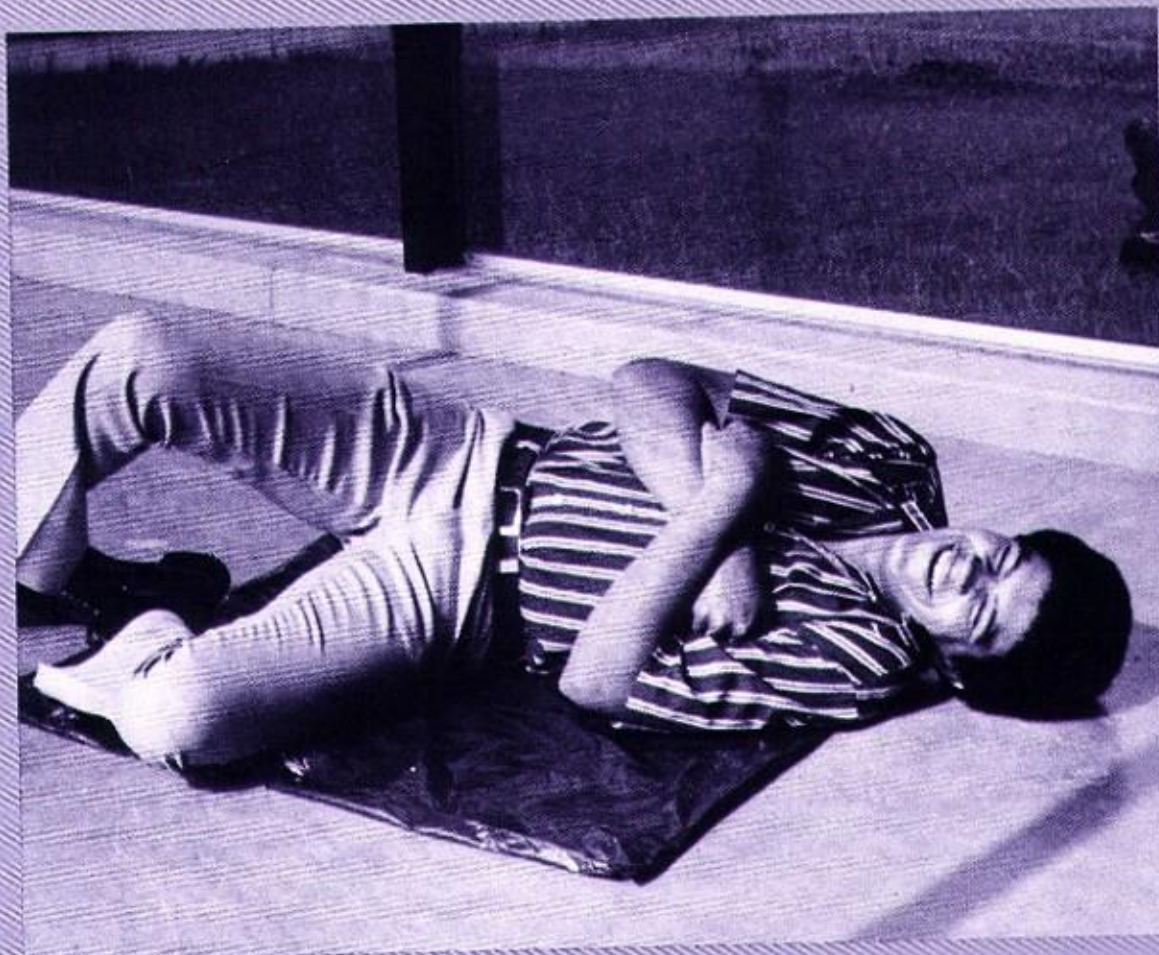

John

Tom, He stole a pig and away he run . . .

Something really tickled his funnybone.

Mr. Allen N. Short

Mr. Ernest B. Pearson

Assistant Principal

Mrs. Wilma Reed

Guidance Services

Trained counselors offer to Warren High School students assistance in working through personal problems and making long-range educational and vocational plans. When students need to talk to someone who likes them but doesn't love them, they see their counselor. With the maturity of experience of knowledge, the counselor is able to help a student put problems into perspective without becoming emotionally involved, as a family member would.

Mr. John B. Jenkins, Jr.

Mrs. Chloe Spence

Secretaries

A nucleus of activity, the main office staff again met the demands of a society of approximately seven hundred and fifty students, and an ever-increasing number of faculty members. The success of our smooth-running school and office is due to the efficiency of our two secretaries, Mrs. Porter and Mrs. Spence. They greet and give necessary information to frantic students, teachers, and parents.

They really are great.

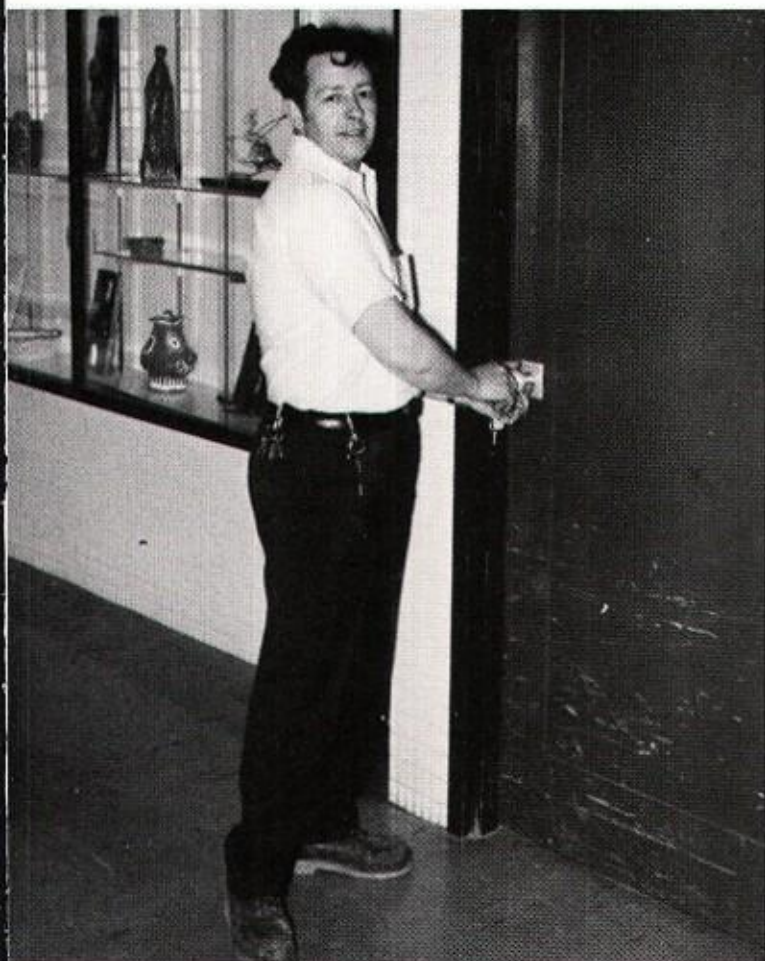

Thank you Mrs. Porter and Mrs. Spence.

Mrs. Lillian Porter

Yum! Yum! Chocolate icing!

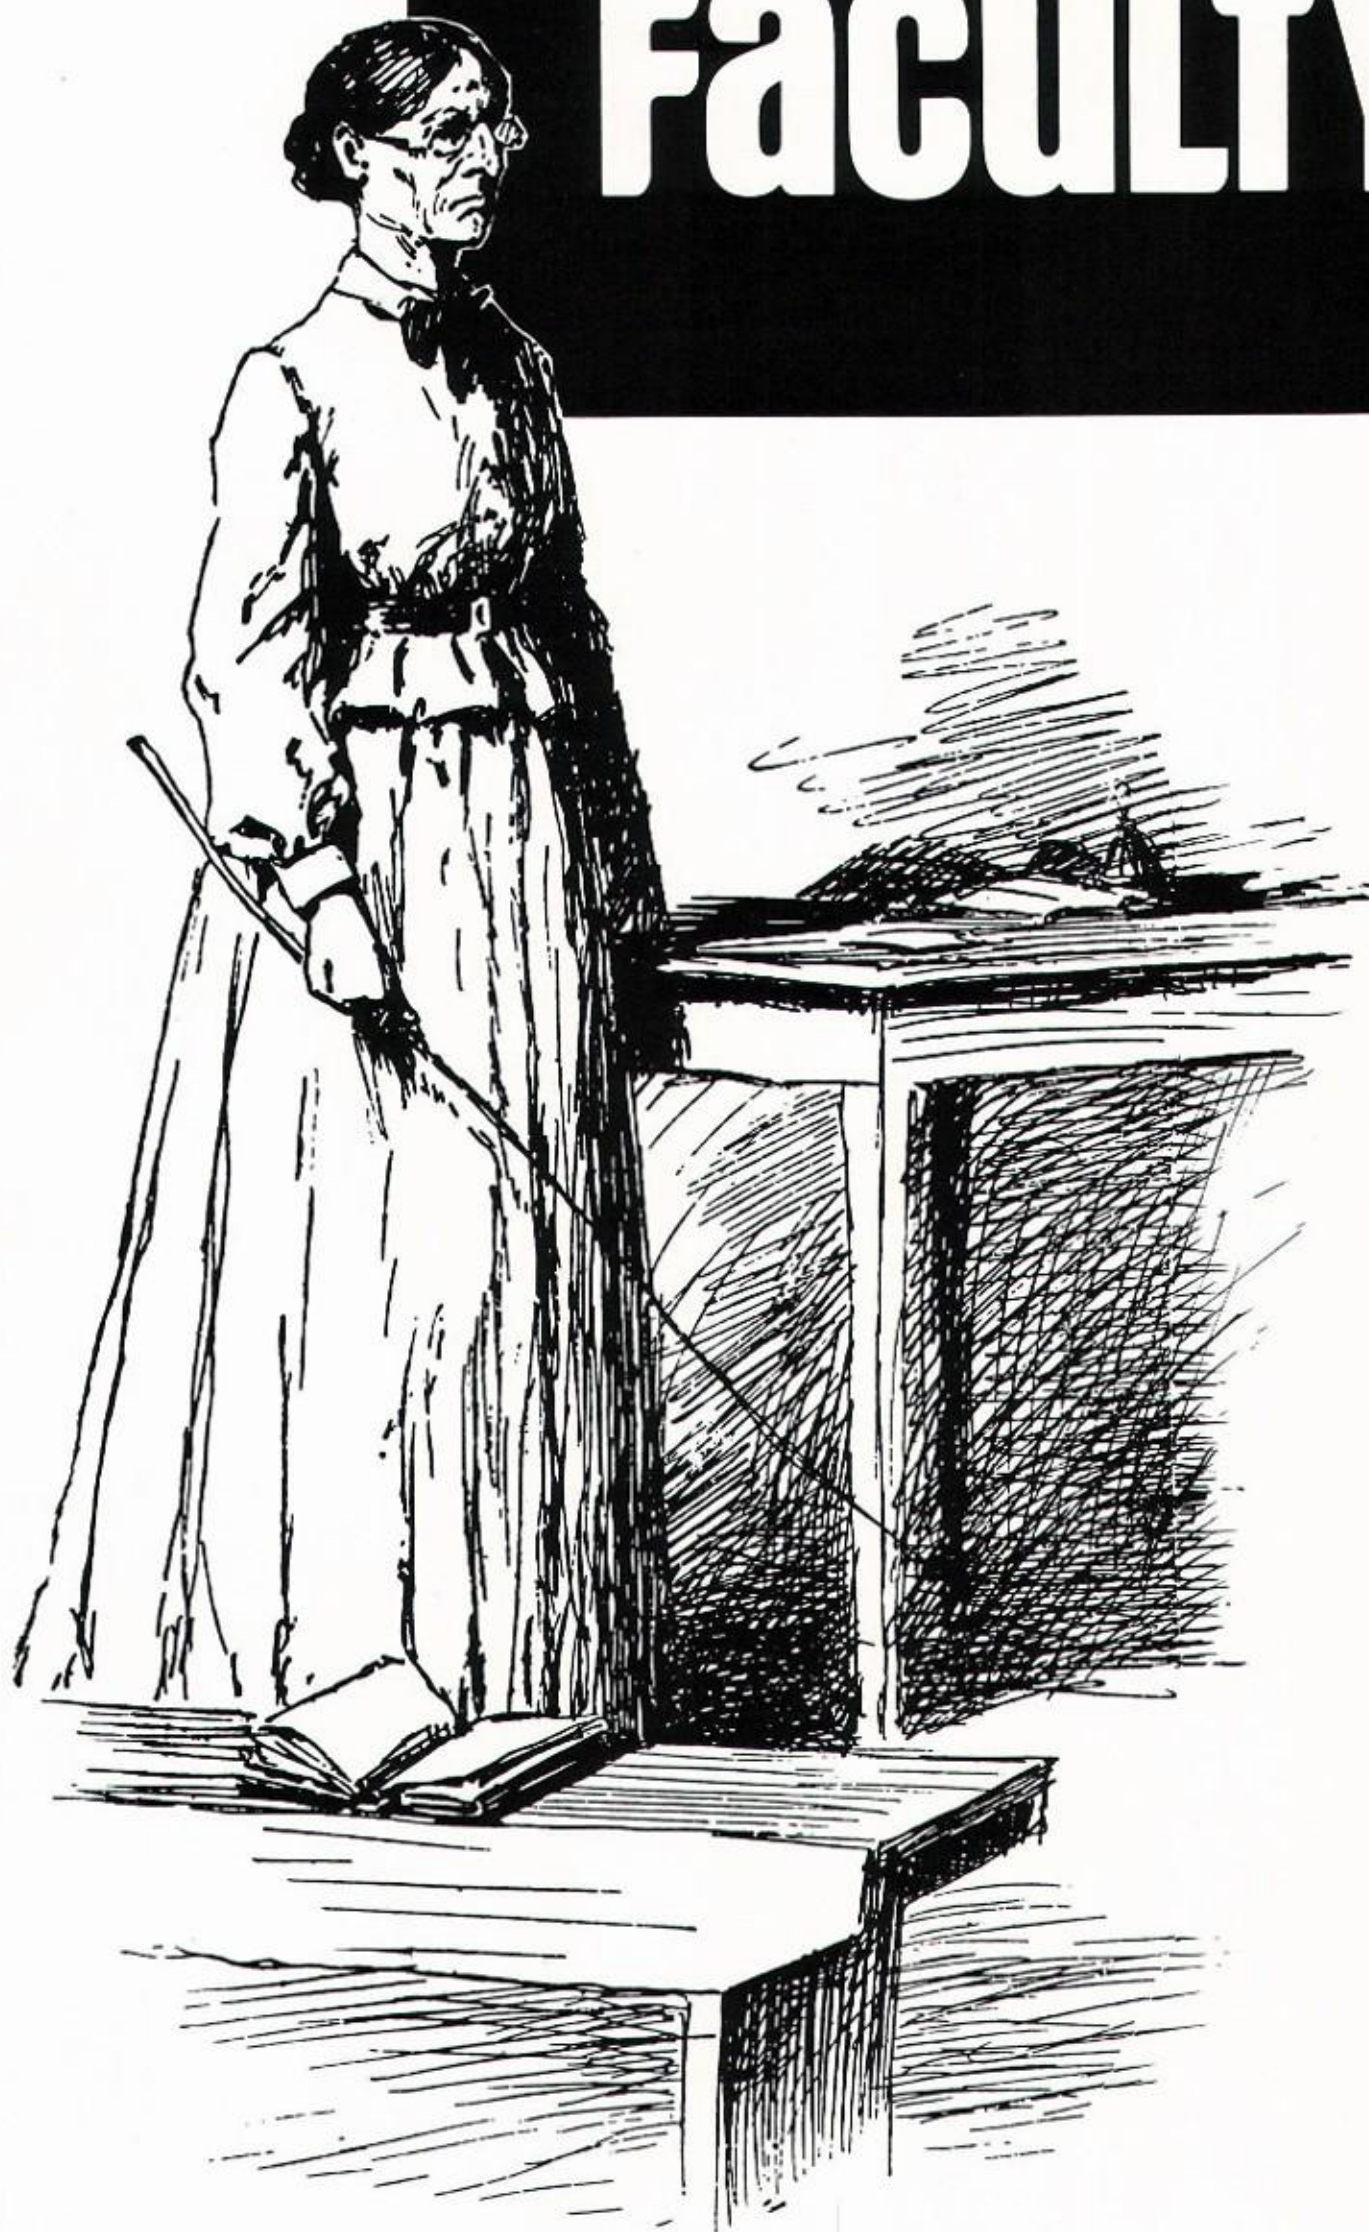

What's behind the green door?

Home Again! Home again!

FACULTY

Mrs. Sharon Sheridan, Librarian

Library

Mrs. Betty Maddox, Assistant

Warren's library is an excellent place for the student to spend time in quiet study and concentration. It offers a wide selection of novels, magazines and newspapers. It also provides a variety of reference books and research materials which are indispensable to the student writing a term paper. Students acquire the materials for these papers with the assistance of Warren's librarian, Mrs. Sheridan.

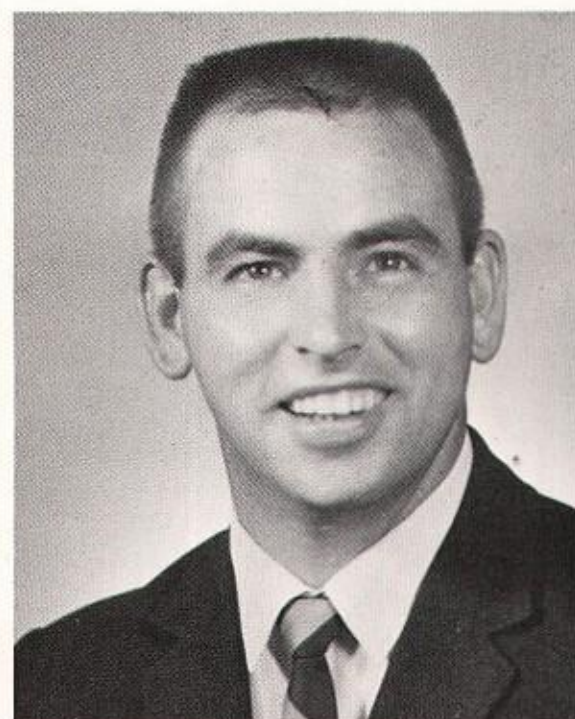

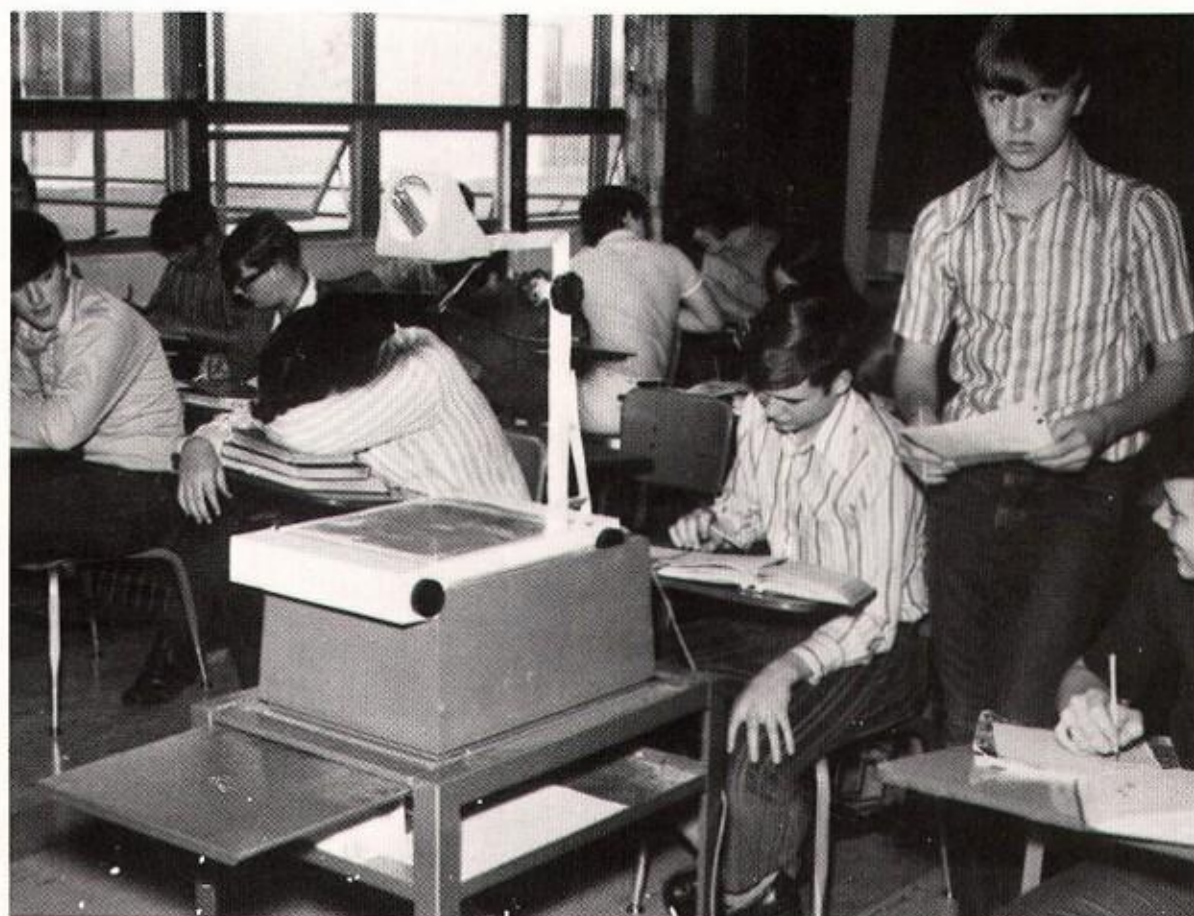

Mr. Charles Wentz

Mathematics is becoming increasingly important in today's scientifically-oriented society; there are few occupational fields which do not require a basic knowledge of mathematics. Through basic and continuing studies in mathematical fields students are preparing themselves for a successful future.

Mr. Roy Jameson

Mr. James Craig

Mr. Glen Gainer, Jr.

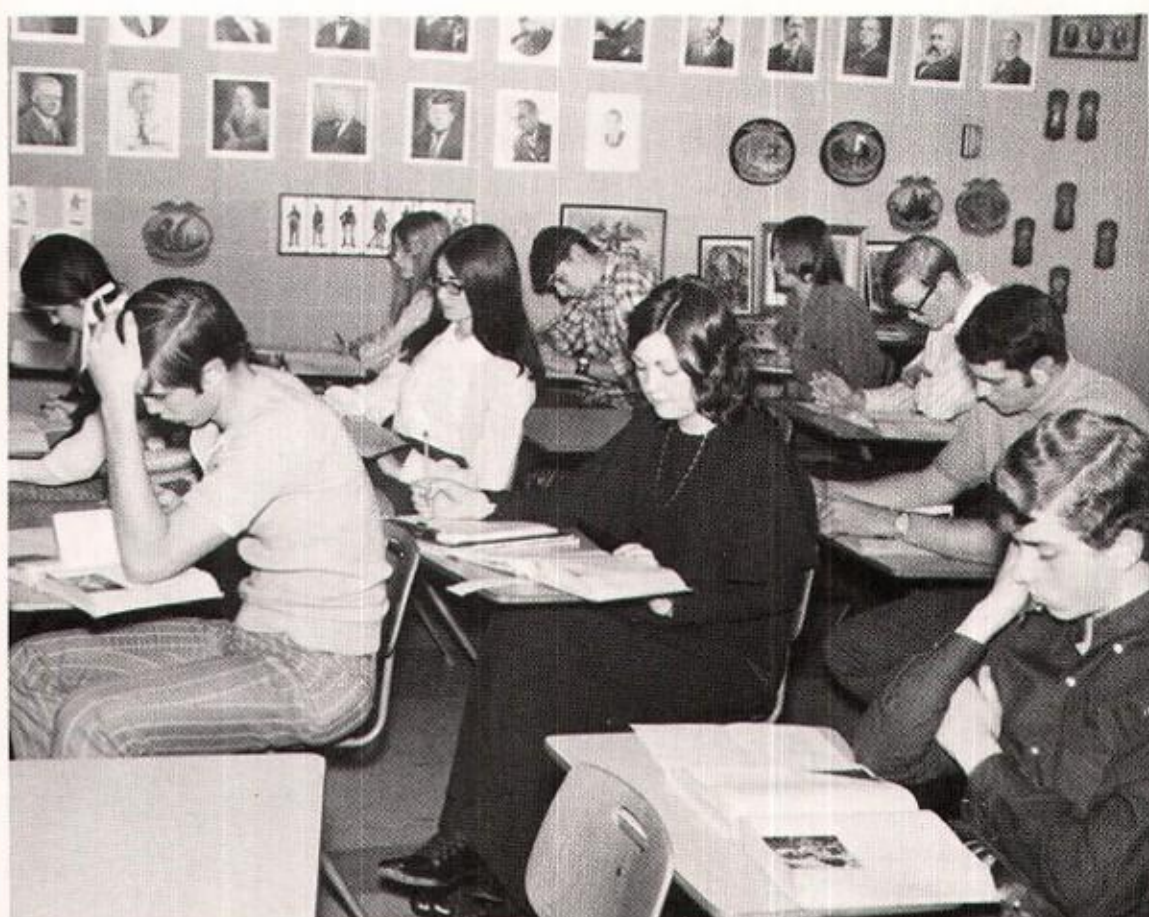

Mr. Vincent Scragg

Mr. Jack Watkins

Social Studies

The Social Studies department is involved with the study of the history, geography, and the government of the world.

American History is a required course for all Juniors. In this course a study of the history of our young nation is presented.

The government course teaches the functions and history of our democratic government to all students of the Senior Class.

SUPERIOR AWARD WINNERS AT WARREN SCIENCE FAIR: Row 1: Debbie Gorham, Janet Fields, Jackie Riffle; Row 2: Lynn Mercer, Norma Gustke, Gene Spurbeck, David Barrett.

Mr. Barry Guinn

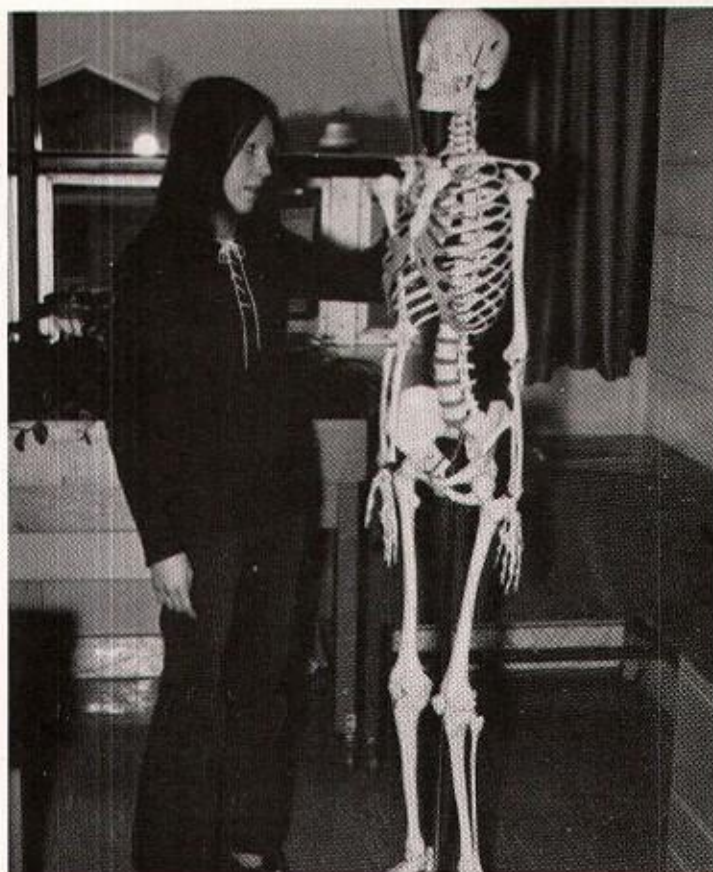

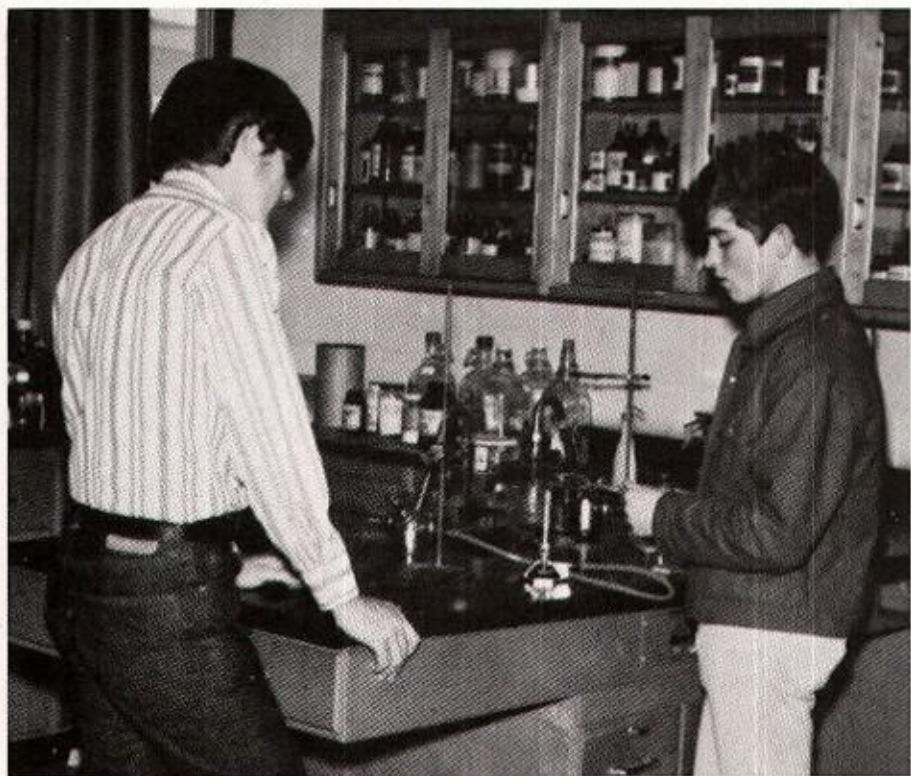

Science

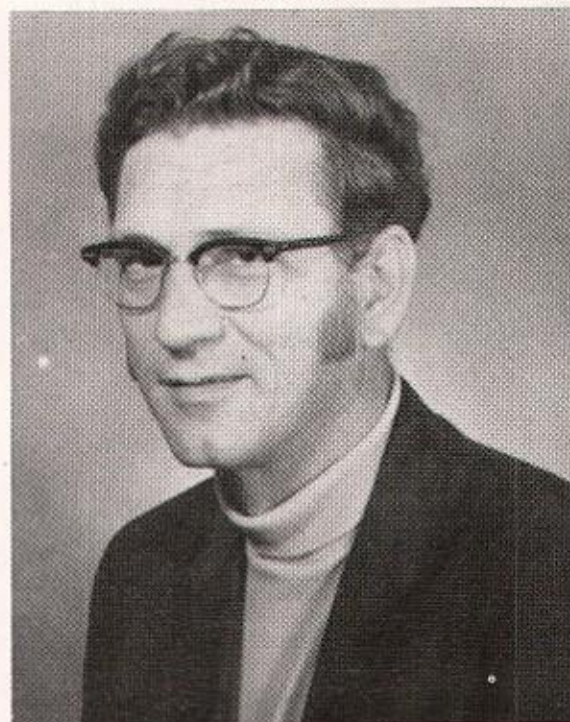

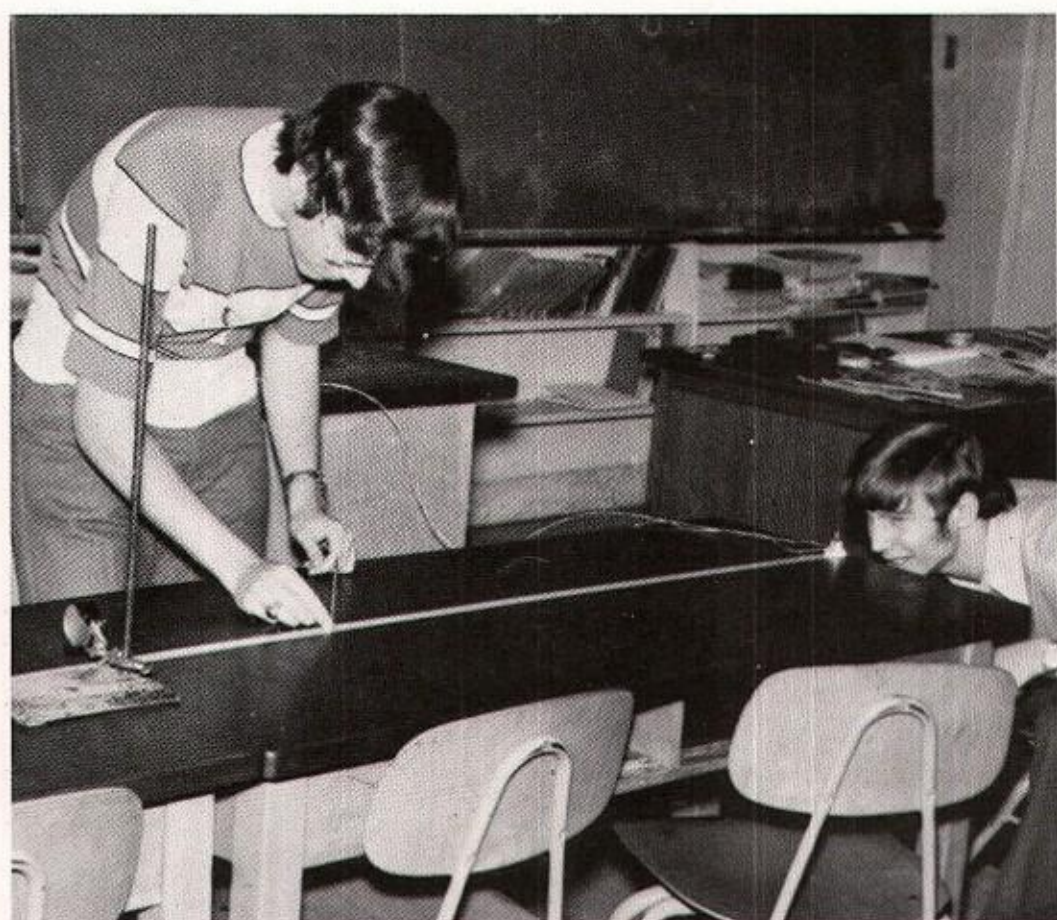

Mrs. Reta Mae Stalnaker

**Lynn Mercer and Gene Spurbeck
Superior winners at Science Fair at Marietta College**

The Sciences; Chemistry, Physics and Biology, Earth Science and General Science, give a student a deeper insight into life and help him to relate himself to the universe in which he lives. These sciences make the student think for himself and lead him to ask questions about himself and all living matter. He begins to see the relationship between himself and his environment, which constantly influences him. Through the microscope he sees the cell, the structural and functional unit of life, magnified many times its size. In the lab he discovers through experimentation the basic properties of matter and the laws of nature. He learns about atoms which make up all matter and molecules which are constantly moving and reacting with their environment. Seeing life and matter at this complex level and attempting to understand it increases the student's appreciation of himself, his world, and his Creator.

Mr. Max Smith

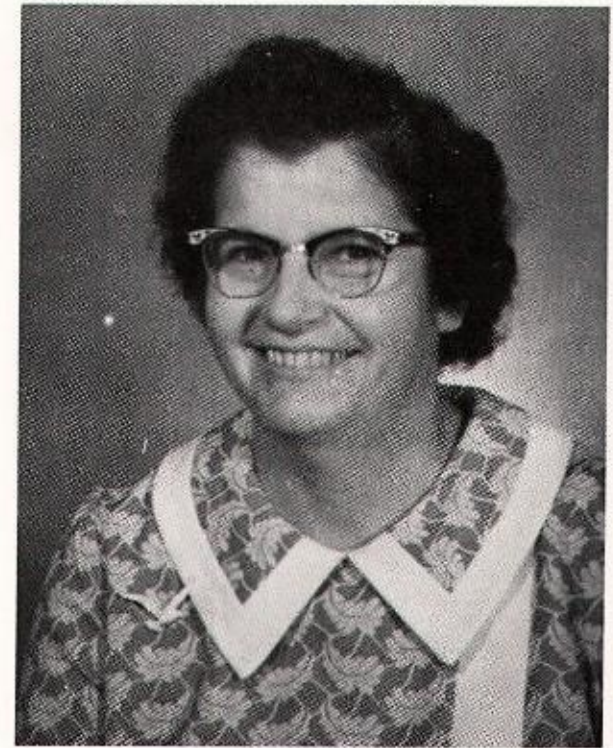

Mrs. Rita St. Clair

Communication being essential in this modern age, the English department strives to provide a program which will benefit every student. To strengthen word power and understanding this department offers courses in the study of grammar and literature.

Miss Marjorie Stephens

Mrs. Kristin Bolden

Languages

The study of foreign languages is a basic part of any high school curriculum. At Warren, Spanish and French are offered to the students. The French and Spanish students make use of the language lab designed to aid in the teaching of correct pronunciation. In addition to learning the language itself, attention is given to acquiring a broader background in the culture of the people whose language is being studied. This knowledge is effectively acquired by reading the literature of these cultures. Basically, language study gives much more than a new means of communication with others, for it also enriches the students with a greater knowledge of the various people of our world.

Mrs. Sheila Brown

Mrs. Agnes Wooters

A working knowledge of basic business skills is the goal of the students taking the business courses. Typing, shorthand, general business, bookkeeping, and office practice are offered to acquire the needed skills. Personal needs are also fulfilled when a student takes one or more of these courses. By learning the basic business skills, the student becomes well-rounded.

Vocational Agriculture

With an increasing growth in population, agriculture is becoming more important everyday. Our Vocational Agriculture department is designed to train our youth for an occupation in farming or related areas. For help in training students, farm machinery and a well-equipped shop are maintained.

Mr. Dean McCoy

Mr. William Tackett

The Home Economics program at Warren High School, is focused on youth concerns related to the family and society. It supports and strengthens classroom study in the field of Home Economics and Home and Family. Future Homemakers of America Activities provide motivation and stimulation for becoming the kind of individual who has something to contribute to society.

Home Economics

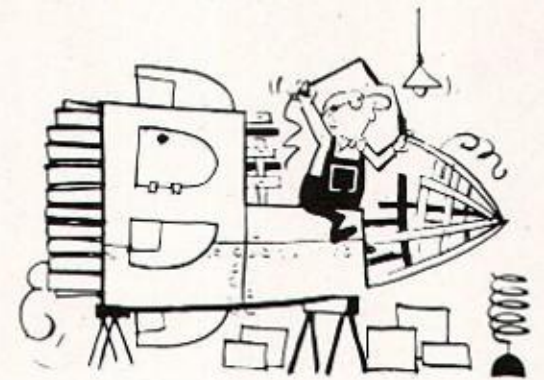

Mrs. Florence Tackett

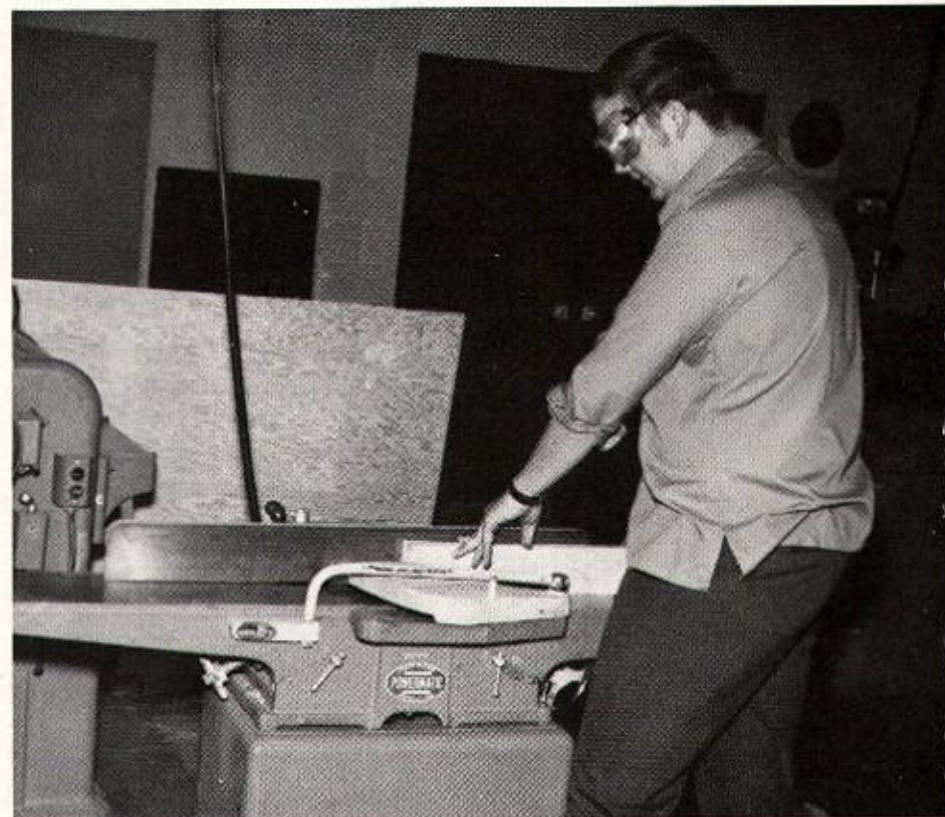

Mrs. Mary Yost

Industrial Arts

Warren offers a variety of industrial arts classes with a variety of goals in mind. The metal work, wood and drafting shop develop consumer literacy and useful skills as well as educating the student in procedures, safety routines, and co-operative attitudes. Such classes encourage self-expression through developed skills. Each class builds student appreciation of the industry involved. Safety lectures precede the actual working experiments. Industrial arts are of extreme significance and such classes are invaluable.

Mr. Paul Bibbee

Mr. James Dukas

Mr. Richard Roberts

Creativity is the key to self-expression, and in the art classes taught by Miss Young creativity is accented to the utmost. Students in visual fundamentals and painting are instilled with the techniques and skills necessary to express their ideas and emotions in an accomplished and skilled manner. Through their experiences with creating their own works of art, students learn to appreciate more fully the works of great painters and sculptors.

Special Education

Mrs. Charla Elliott

Mrs. Elliott and Mrs. Huettel teach the Vocational development classes. The courses offered help in job preparation, job placement, and job retention.

Mrs. Louise Huettel

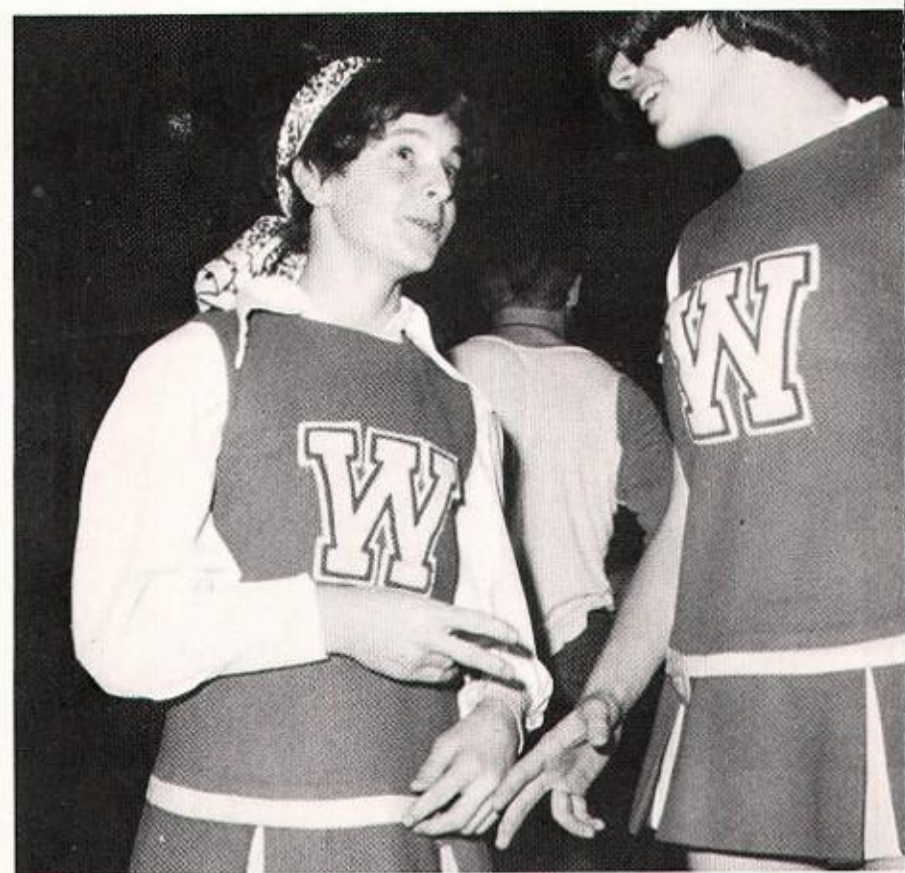

Mr. Richard Wrachford

Band

W.H.S. is proud of the Warrior Band. Practices are held everyday during the seventh period, and after school for the football games, parades, and concerts. Playing songs at the football and basketball games give the players a big boost. Besides the great football halftime shows, concerts are given at Christmas and in the spring.

BAND OFFICERS: Judy Hill, Pres.; Susan Koon, Sec.-Treas.; Chuck Lipps, V. Pres.

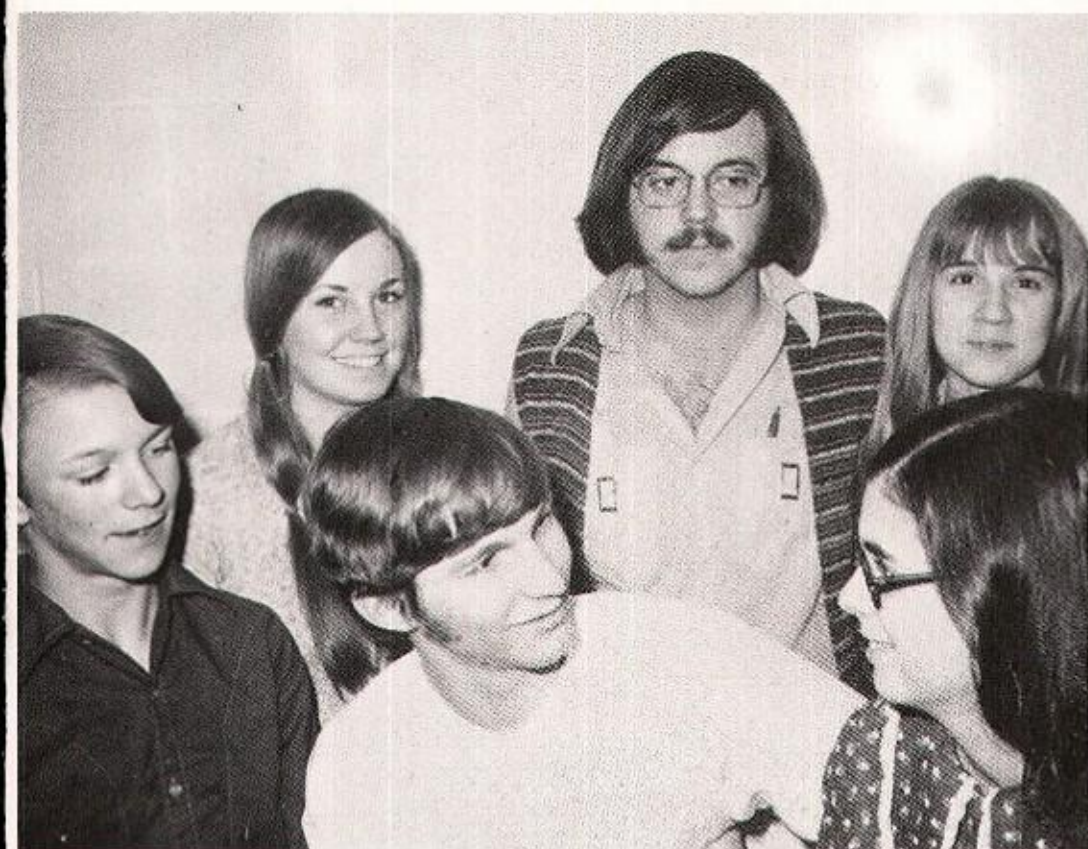

Bill Shawd and Paul Stacy at the Band Basketball game.

Mrs. Norma McClung

Row 1: Mike Hapney, John Gillespie, Kris Stone; Row 2: Debbie White, Randy Sargent, Beth Carpenter.

THE JELLYBEANS: Front to back: Ellen Davis, Kathy Davis, Beth Carpenter.

Chorus

The Chorus is to be commended this year for their excellent performances. They gave a Christmas Concert, a Television show on WTAP, and the annual Spring Review which featured "All in the Family."

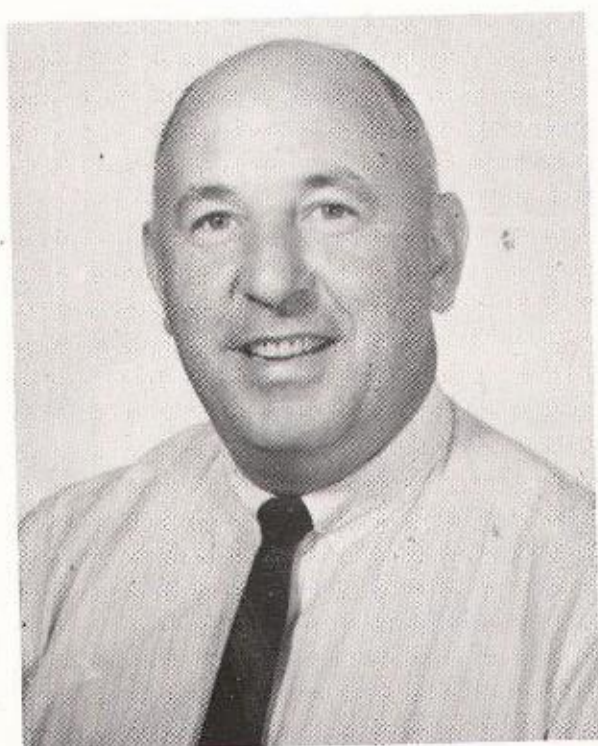

The Chorus also sold "Rex," the miracle cleaner, as their money making project. The money went to buy stage curtains.

The Physical Education classes of W.H.S. give students the opportunity to improve skills individually and also to acquire sportsmanship in team sports. These activities help to develop quick reflexes and give the players a competitive spirit.

Mrs. Susan Boyd

Mr. Ernest Moore

SENIORS

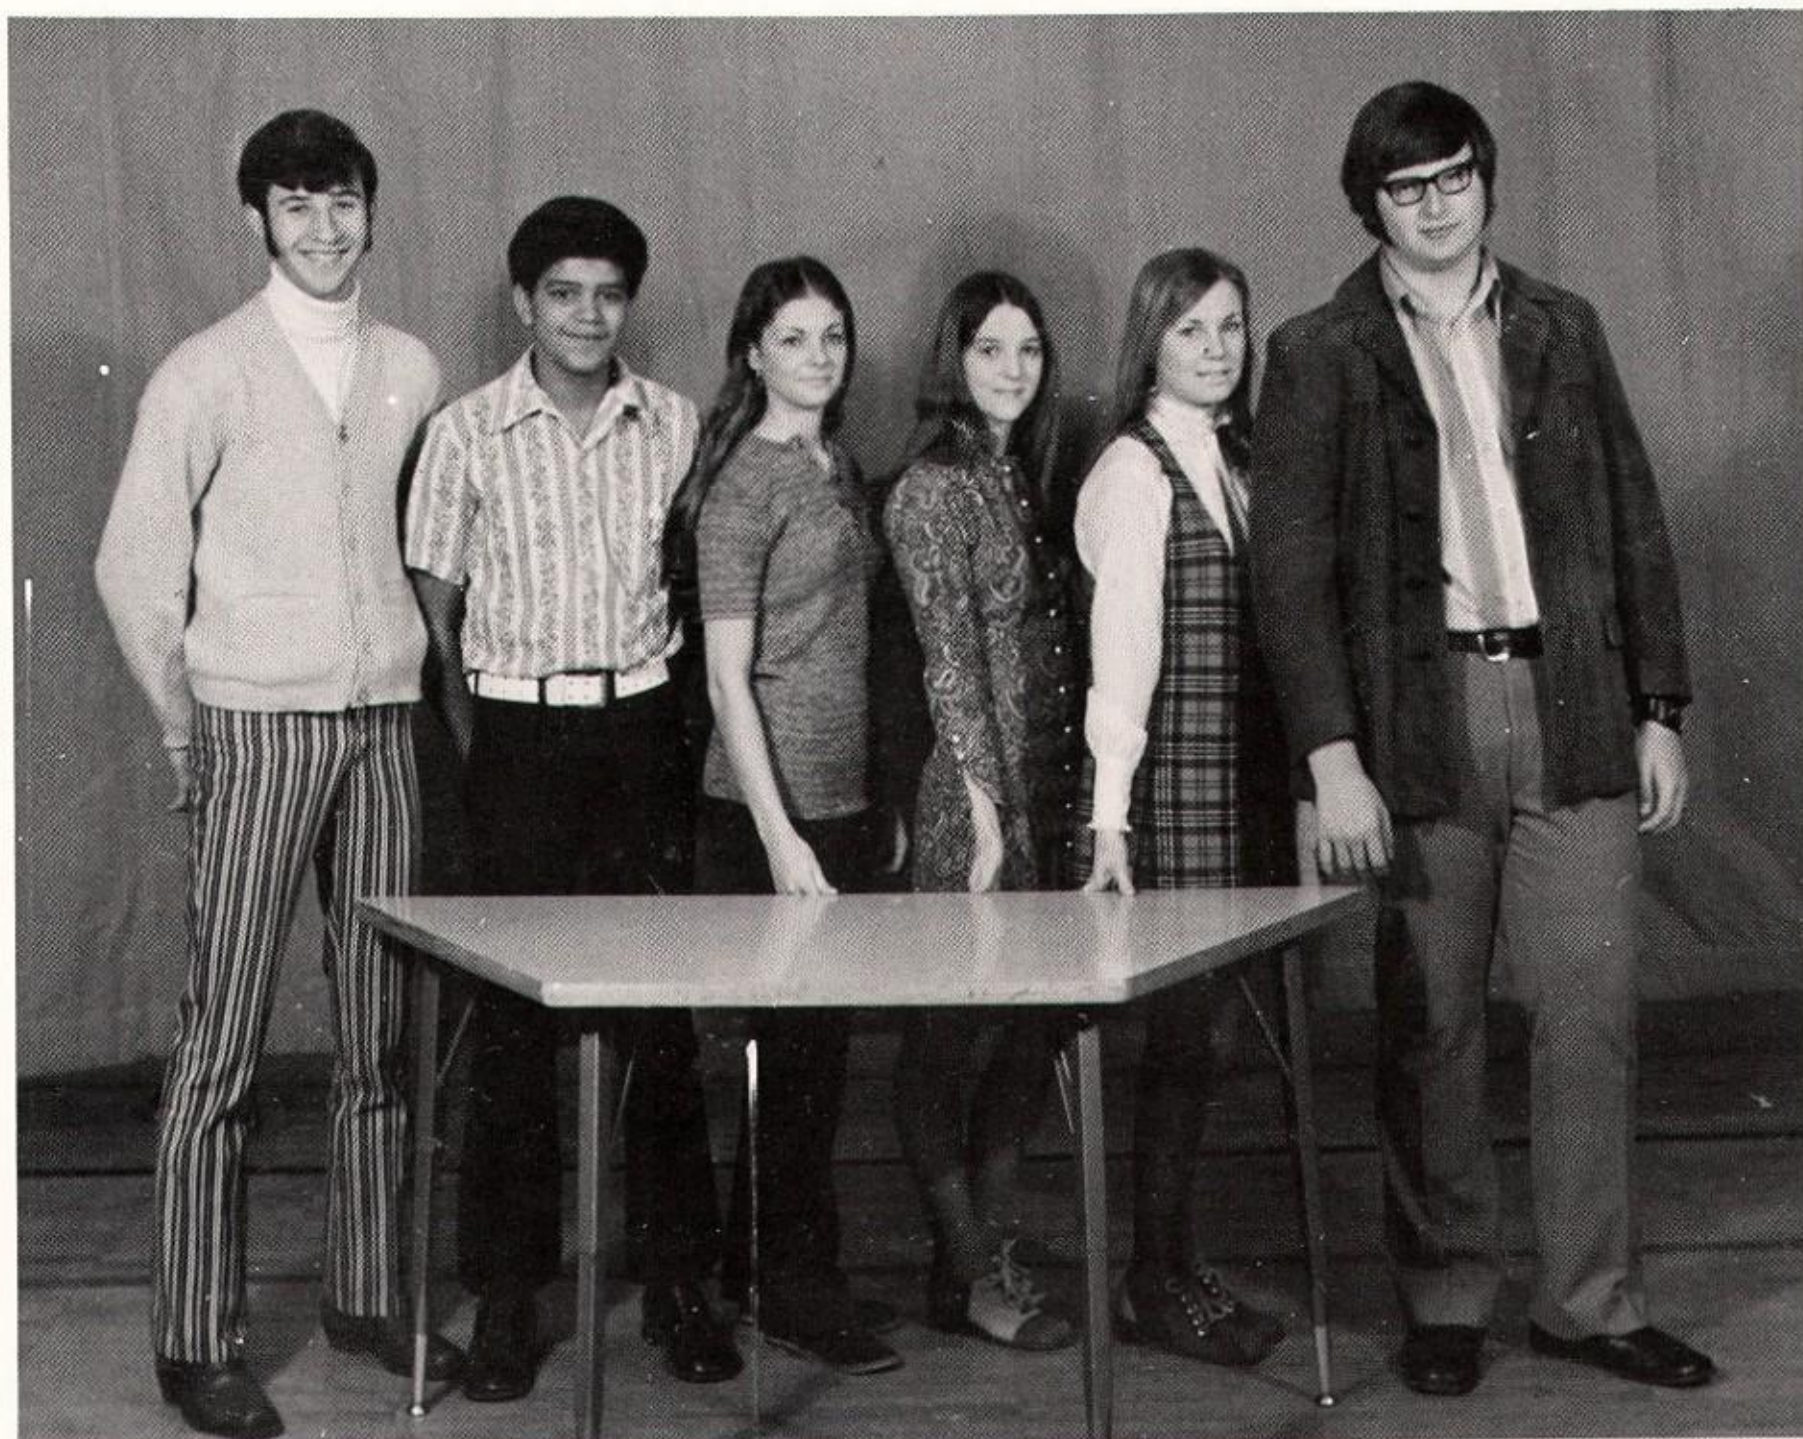

From snakes and snails, sugar and spice, to books, clubs, and offices, the Senior Class of 1972 will begin the walk down future's unknown road. Many seniors helped make the final year an unforgettable one, as Bob Dunfee and Donna Benson served as President and Vice-Pres. of Student Council, and Rhonda Bowen as Treasurer. Pat Burt and Terry Coffman were chosen as our "Miss Charming and Mr. Irresistible." On October 30th, Rhonda Bowen was crowned Homecoming Queen and Diann Welch was Senior attendant.

In the sports line-up, the Seniors proved to be outstanding in all fields; whether it be in football, basketball, track, cross-country, wrestling, golf, managing, cheerleading, or rooting the team on, the Warren Seniors have been competitive and good sportsmen. In return, they were the winners.

The Seniors final year consisted of ordering announcements and name cards, being measured for caps and gowns, exchanging senior pictures, the choosing of a daisy as a class flower, and designing and sewing a blue and gold flag.

The events were many during the year, but the most memorable were the Junior-Senior Prom, Baccalaureate on May 21st, and the Senior Picnic on May 24th. Then, on June 2, 1972, after twelve years of hard work and many achievements, the Senior Class followed their motto as they received their diplomas: "The road we follow today, is the road we lead tomorrow."

OFFICERS: Tim Johnson, Pres.; Mike Barnett, V. Pres.; Jane Bayne, Sec.; Debbie Wingrove, Treas.; Debbie White and Bruce MacIntyre, Student Council members.

CLASSES

Juniors

Happiness is yelling to your heart's content over the Warren-Belpre basketball and football games, seeing dear ol' Mr. Scragg smile when everyone gets their words defined, and . . . belonging to the class of 1973. The Juniors have really had a busy and delightful year this year; Cathy Balke was chosen Homecoming Queen attendant; Juniors made a mountain of money from their Dance, and also ranked high in the fields of sports, leadership, and scholarship.

The joy of finally being an upperclassman was ours, as the class of '74' entered Warren with one year down and three to go. Many sophomores participated in sports. The reserve football team defeated Belpre and had the best record in five years. We elected Norma Gustke as our charming homecoming attendant, and Susie Reese and Joe McGirr were chosen as our class Sweethearts. Among the activities of the sophomores were sponsoring a dance to raise money, to learn how to drive in the Driver's Ed. simulator, screaming at games, ordering class rings, and just getting away with whatever we could! The screaming paid off, because the enthusiastic sophomores won the coveted spirit stick. For the majority of the sophomores, this year has been successful and prosperous, promising and encouraging, and a year never to be forgotten.

The 1971-72 Freshman Class is the largest class in the history of Warren High School. Like most freshmen we had a difficult time adjusting to the high school way of life. The number of freshmen on the honor roll shows our attitude toward academic achievement. Our activities include sponsoring the annual Christmas dance and a busy football and basketball schedule.

Future Teachers Association

The Future Teachers sponsored by Mr. Craig, offers its members a chance to find out whether teaching is the career for them. The purposes of F.T.A. are to learn about the teaching profession; to cultivate qualities essential in a good teacher; and to learn how and where teachers receive their training.

Every year the Future Teachers give a \$50.00 scholarship to a deserving senior who is planning on entering the teaching profession.

The F.H.A. was, and still is busy as bees. To start the year they participated in the State Fair, had a Puppet Show, went caroling at the Washington County Old Folks Home, had the Freshman Get-Acquainted Party in September, secured the speaker for the County Rally, and had a Parent's Pot-Luck Dinner in November. To conclude the year they will have a field trip to Columbus, present the Style Show for the public and for the Students, and bring in a psychologist to talk on Maternal Health.

The Warren High Chapter of the O.E.A. Club operated on a local level for the junior students and on a state level for the senior students. Mrs. Aebi served as Warren High Chapter sponsor and with the aid of the other business teachers, worked on the plans which involved joint participation of the four classes.

Group club activities included hearing various speakers, viewing business related films and filmstrips and participating in field trips. The big joint event of the clubs was the spring banquet in May at Napoli's in Belpre.

Science Club sponsors the Warren District Science Fair. We subscribe to Science World Magazine which is placed in the library for student use. Last year we paid 100.00 on radioactivity laboratory equipment for use in the science department.

The purpose of the Industrial Arts Club is to foster the Industrial Arts program at W.H.S. and perform as a service organization. This group sponsored the turkey shoot and the Battle of the Bands.

Battle Cry

This year's staff is the largest ever. They published seven great papers including the Valentine feature and the Senior edition. The main editor of the BATTLE-CRY Paper is Susan Stage, feature editor, JoAnne Greenwalt, and sports editor, Billy Huffman.

Future Nurses

The 1972 chapter of Future Nurses of America has been one of the busiest clubs this year. They began the year by having a display in the fair, a bake sale in Marietta, went to a tea, and were conducted on a tour at Marietta Hospital, went caroling at Harmer Hill Rest Home and Selby Hospital, they had the St. Patrick's Dance, on March 4, had a tea for the freshmen, and provided transportation for the girls taking candy stripping training at Marietta. To conclude the year they plan to have a bake sale, have a party for the Seniors, take a trip to a Veterans Hospital, and have the Spring Tea in which they will invite other schools.

A good yearbook is the result of much dedication, hard work, and ingenuity. Membership on the staff has meant the investment of long hours spent in working on layouts or cropping pictures.

Sometimes cries of anguish could be heard when a headline would not count, tears came when the picture turned out blank, exclamations of delight were heard when an idea turned out right, and laughter often filled our room when students worked on a common project which symbolized the efforts of the staff of the 1972 SHIELD to publish a yearbook for their fellow students at Warren High School.

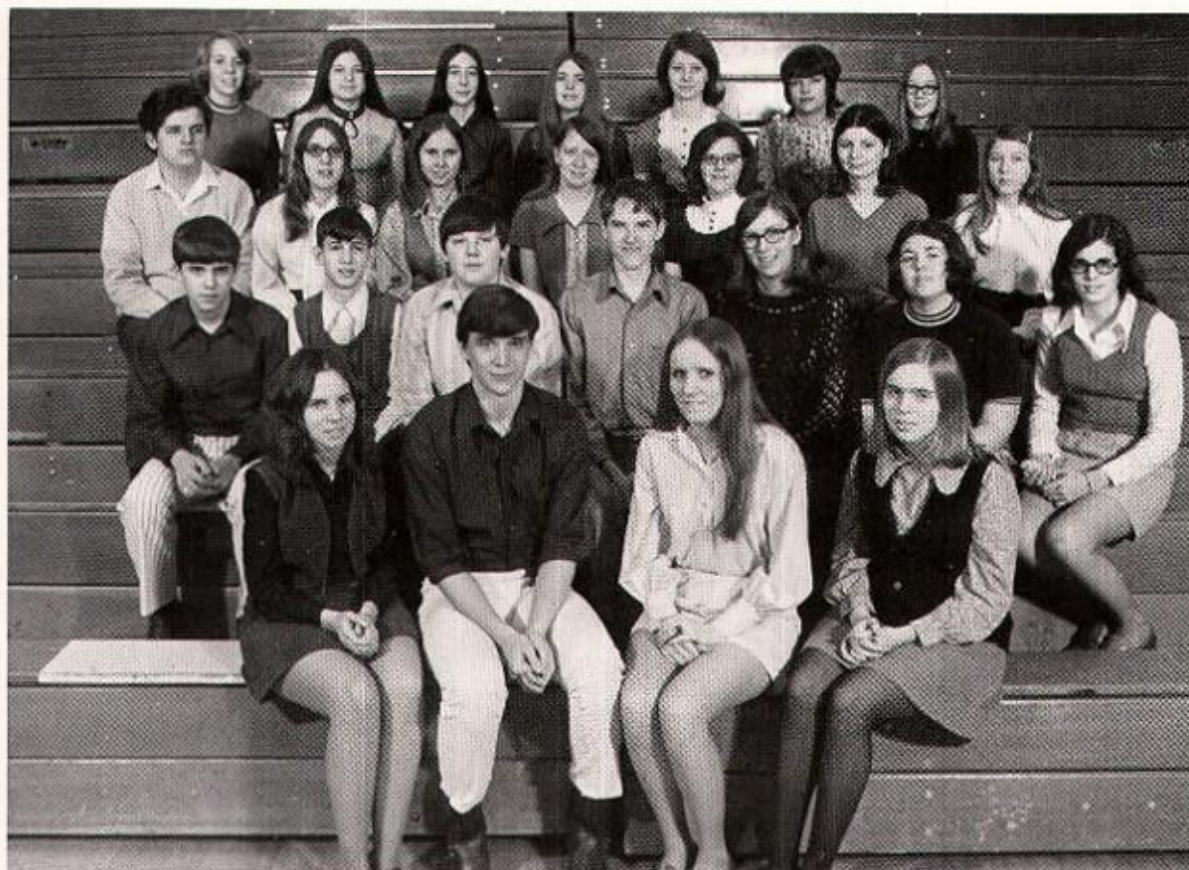

The Shield Staff

Y-Teens

The W.H.S. Chapter of the Y-Teens was kept very busy this year. Under the leadership of President, Jane Bayne; Vice-President, Diane Wagner; Secretary, Cindy Ross; and Treasurer, Norma Gustke; the members had a variety show and bake sale to raise money for new curtains in the auditorium. They also had a speaker on volunteer work in hospitals.

Spanish Club

The Spanish Club has been very active this year. It held its annual Christmas party. The members broke the traditional piñata and sang Spanish Christmas carols. A bake sale was held to raise money for the banquet held at the end of the year for The Spanish Club and Honor Society.

The French Club has a goal of stimulating interest in the French Language. French Club activities this year included a number of things. To make money for our club we sold stationery. At Christmastime we had a party. We participated in the Y-Teens Variety Show. The French Club also corresponded with pen-pals from France.

The Warren High School Stamp Club was organized the second semester and has approximately 15 members. The officers are: Pres., Mike Lamp; V. Pres., Bob Cline; Sec.-Treas., John Tullius.

Some main objectives of the club are to provide an opportunity to students of like interest to share ideas, swap stamps and hopefully hear a guest speaker, who, himself, is a dealer or collector of stamps. These students require all members to have stamp collections (for membership) and are interested in increasing their own private collections.

Stamp Club

Row 1: John Tullius, Mike Lamp, Bob Cline; Row 2: Mrs. Williams, Jack Ellison, Brian Foster, Scott Clay, Glenn Gossett, Rick Pugh, Gary Bowes.

The purpose of this club is to broaden the knowledge of its members in the people and customs of other countries. During their meetings, the club shows filmstrips and discusses them. They may also plan field trips to different places to learn more.

Its 46 members compete with each other, and with other schools in chess tournaments. They're all studying to be better chess players by reading books on how to improve one's chess playing. Chess is a very intriguing game with complicated moves, and takes much concentration to win.

The year of 1972 has been very eventful for the Girl's Basketball Team under the direction of Mrs. Boyd. They played five games; two with Fort Frye, one with Parkersburg Catholic, and two with Williamstown.

They have thirteen players, their first string consisting of Colleen Smith, Debbie Smith, Karen Hoyt, Lynn Gribble, and Pam Birch. Their managers are Rhonda Bowen and Nancy Kidder.

Girl's Basketball Team

G A A

Any girl can be in G.A.A. The girls have intramurals during eighth period, and play volleyball, basketball, and shuffleboard. The G.A.A. also sponsored a basketball and a track team this year, and have competed in matches with other schools. The officers are: Pres., Dea Jarvis; V. Pres., Rhonda Bowen; Sec., Kathy Eddleblute; Treas., Myrna Hooper.

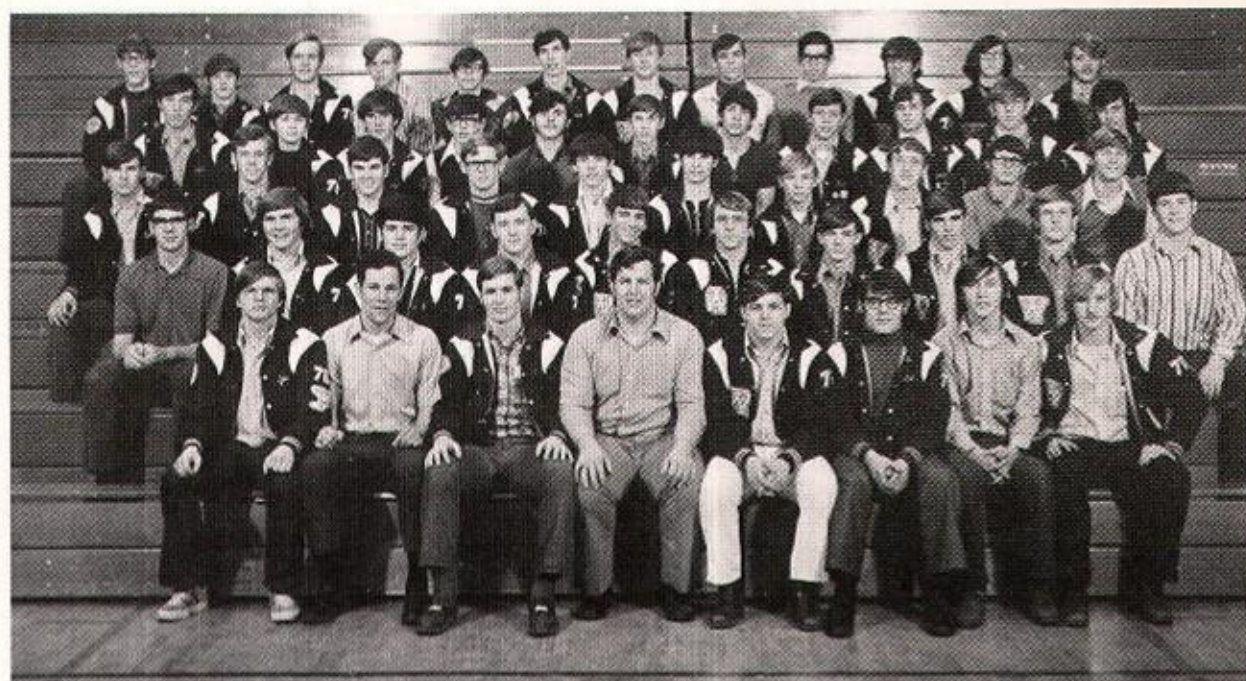

In the last two years our team has had the best record ever at Warren. At the beginning of each season we stage a comical wrestling program in order to raise money for equipment.

Fellowship of Christian Athletes

The Fellowship of Christian Athletes is in its second year here at Warren. The F.C.A. started out with only a few members, but now it is growing and more have become interested in it. The club is open to any boy at Warren High who has taken part in sports since entering high school.

Winning or losing, the Warren High Pep Club members proudly support the Blue and White by cheering and showing a lot of spirit and pep. During the football and basketball seasons a special section was kept for the spirited fans and Band members. This year the Pep Club sold colorful Warren decals for a money-making project.

Long hours of work has given the students of Warren High School pride in their chorus. The members shared a Christmas concert with the band. They also had the pleasure of performing on television. The chorus's production of "All in the Family in the Time Tunnel" was a success in the spring months. Much effort was put in the past year, but everyone agrees that it was worth it.

Sparked by Coach Johnson, the refreshing spring time workouts, and the thrill of a new season, the fighting Warrior diamondmen invaded the untrodden season with determination and a spirit to win.

The young Warren team overcame its inexperience with hard work, desire, and teammanship which contributed to a spirited season.

Daily workouts consisting of running, pitching, batting, and scrimmaging were set by Coach Cecil Johnson in order to condition the boys for the strenuous season.

It's a long trip to the moon, and an even longer trip to the stars. But give our Warren High School Cross Country Team a place to start and stand back. It may take them some time to do it but you can count on our Warriors to try.

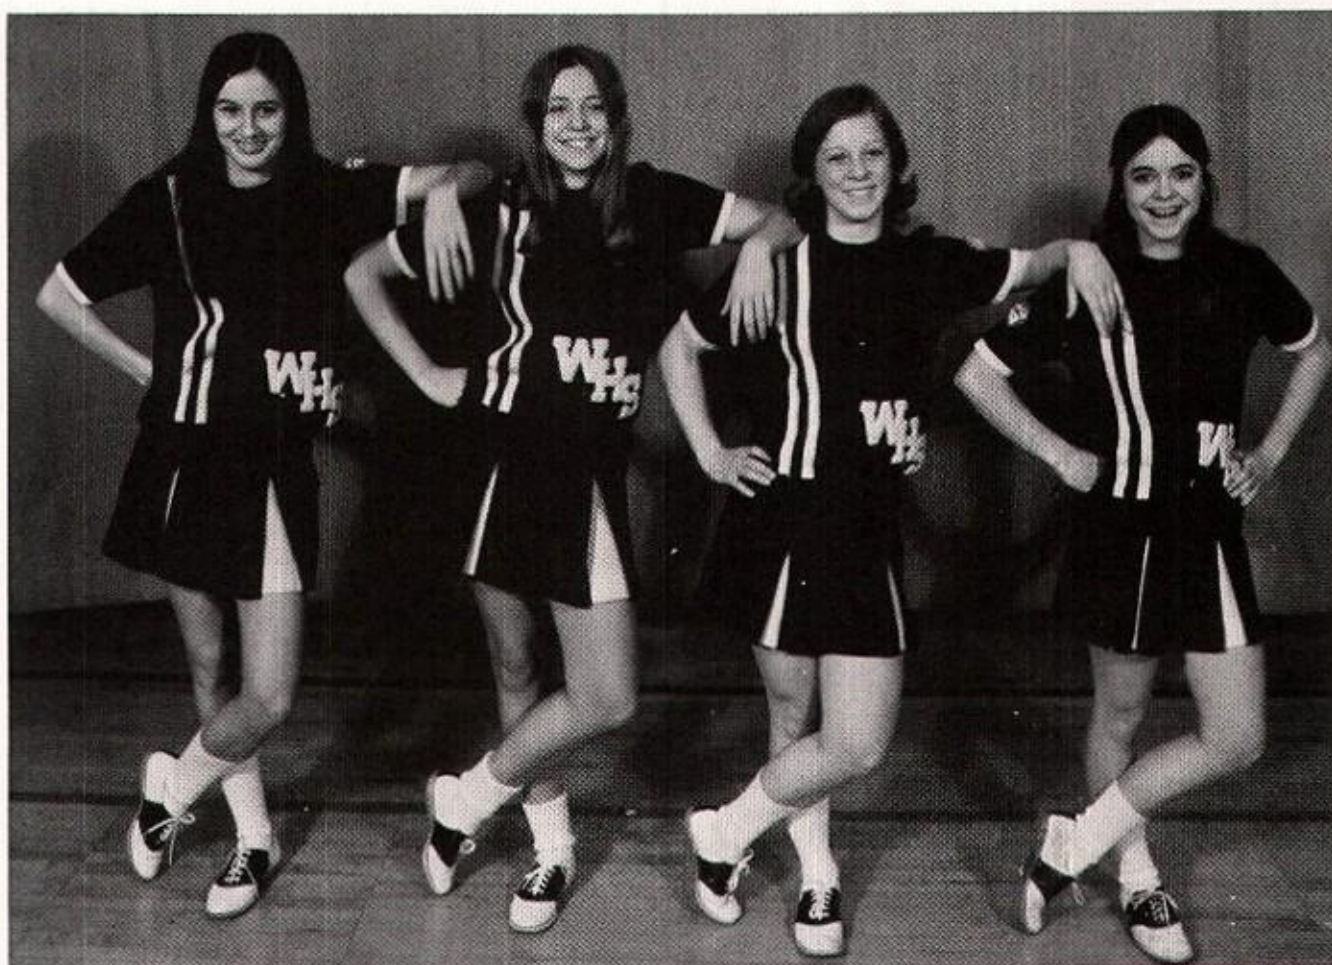

Our team had a very successful season this year. A share of the credit for this should go to Coach Watkins, who did a fine job of getting the team together.

It's not easy to run Cross Country. Even harder to win. It takes a lot of effort, ambition, soul and teamwork. But then, that's WARREN.
